Quick Facts

Many of us enjoy special times through the week. This could include any clubs we belong to, or time spent with our family. We may also have special days on which we celebrate religious events or birthdays.

In school, we are kind to each other, and we all try to help each other in any way we can. We can also help others outside of school by looking after where we live and by taking our litter home, donating to food banks or by fundraising for charity. It makes us feel good when we can help other people.

In the Christian story 'The Good Samaritan', Jesus tells us that it is good to help other people.

In the Christian church, the main religious day of the week is Sunday. The vicar may give many services on this day. These services often include hymn singing, listening to stories and saying prayers. The vicar dresses in special clothes to show that he or she is person of God.

There are many charities that fundraise to help people in need. We fundraise at school when we give money for Children in Need, Red Nose Day or for Poppy Day.
