Year 11 Transition Support Programme

For all students there are three tasks set on Dr Frost for them to complete on content not covered within school.

I would like students to continue working through the Money Matters Booklet looking at key life skills.

The logo for 'dfm' is located in the bottom right corner. It consists of the lowercase letters 'dfm' in a white, sans-serif font, set against a black square background. A thin, horizontal lime green bar is positioned directly below the black square.
