Burnley College	If you have applied to Burnley College or Themis, you will receive updates from the team. This includes information about those crucial next steps into Further Education and also some exciting activities to take part in as part of the wider College experience.	Your future subject tutor can provide you with a suite of online subject packs for you to complete. The packs include links to videos made by tutors that introduce you to the teaching team, the exciting topics you will study as well as providing interesting and engaging activities linked to the subject. For example, Film and Media students can watch key scenes from films and then begin to analyse what they have seen; Maths students can try their hand at puzzles that will help to prepare them for their A Level Maths classes; and Engineering students can utilise industry standard software to give them a head start on CAD and CAM drawing before they step into the classroom.	These opportunities to kick start College learning are provided for all course areas offered by Burnley College and Themis, giving you the opportunity to find out lots more about the course you have chosen. You can access this work via: https://www.burnley.ac.uk/year-11-transition-work/ . This will continue to be updated throughout the next few months so please keep checking to see if there is anything new for your area.	The Burnley College and Themis student experience is a key part of students' personal growth and development and the College is really excited to be able to bring this to life before you start your course. It's another opportunity to 'meet' new friends and classmates and get involved in College life. Applicants will be sent digital resource packs to build up your College experience via their school Careers Leads in the Summer Term.	College's Schools Liaison Team on 01282 733322 or email them at admissions@burnley.ac.uk . Alternatively, you can submit an online form through the College's website at: https://www.burnley.ac.uk/support/advice-and-guidance-enquiry-form/
