A message from the Headteacher

What a fantastic start to the new academic year!

It has been wonderful to welcome both new and returning families back to school. The children have settled quickly into routines and have shown great enthusiasm for learning. We are excited about the year ahead and look forward to sharing many successes and achievements with you.

I'd like to offer a very warm welcome to all of our Reception children and families joining our school community this year. The children have settled exceptionally well and are already enjoying making new friends, exploring their learning environment and establishing new routines. We look forward to watching them grow and flourish throughout their journey with us.

Across the school we have been focusing on establishing routines, building positive relationships, and setting high expectations for behaviour and learning. A huge thank you to all parents and carers for your continued support with uniform, punctuality, and communication.

We look forward to working closely with you throughout the year to ensure that every child continues to thrive, achieve and succeed.

Kind regards

Ms Martin,

Headteacher

Attendance Matters

Excellent attendance is one of the most important factors in helping children achieve their full potential.

This year our school attendance target is:  **96%**

A separate attendance newsletter will be shared with families this week.

Thank you for your continued support in ensuring children arrive at school on time every day, ready to learn.

EVERY
SCHOOL DAY
COUNTS

Our School Values

At Lowerplace Primary School, we aim to live our values every day.

Responsibility We make positive choices and contribute to our community whilst valuing and respecting ourselves and the environment

Inclusivity We celebrate diversity and learn from different cultures, backgrounds and experiences

Aspirational We aim high, challenge ourselves and never give up

Curiosity We ask thoughtful questions to unlock our love of learning and embrace new experiences

Children have already been demonstrating these values in their classrooms and around school. We encourage families to discuss these values at home and celebrate when children demonstrate them.

House Points and Rewards

Our reward systems are already underway, and children have begun earning house points, certificates, and positive behaviour points by demonstrating our school values and working hard.

Healthy Habits

Please remember:

- Water bottles should be brought to school daily.
- Children should wear full school uniform.
- PE kits should be in school on the correct days.
- A healthy lifestyle supports successful learning.

Thank you for your support.
