

# JOINING LSA 2021

Developing and succeeding  
as a learning community in  
pursuit of excellence

Dear Year 6 Parent and Carers,

I hope you are all managing to keep safe and well and are looking forward to the half term break.

As the next week passes, so too will the deadline for applying for secondary school places, so please make sure you register your preferences online at <https://www.lancashire.gov.uk/children-education-families/schools/apply-for-a-school-place/starting-secondary-school/>

As I said in our original letters, you are fortunate to live in an area with limited, but excellent choices. You are pretty much assured a place at one of the two excellent Lytham St Annes based schools, if you complete the form on time. However, the move to secondary school is a big one and there are so many things to think about, even without a global pandemic. We understand those fears, worries and expectations so please don't feel these are not normal. Use the email below if you want to ask anything specific and we will try to answer and to remove any anxieties about the move up.

I would urge you to take one last look at our website, our virtual tour, Facebook and Twitter pages to see what Lytham St Annes High school offers. We are proud of our students, fortunate to have excellent teachers and aware of the role we play within the community. Our values of aspiration, endeavour, integrity and respect serve us well and we have a school that achieves some of the best academic, sporting and cultural success across Lancashire. Our website is <https://lythamhigh.lancs.sch.uk/> so please enjoy what we have to offer. We are a great place to be and hope you are lucky enough to be part of it too.

If you have any questions or concerns then please email me directly at [ray.baker@lythamhigh.lancs.sch.uk](mailto:ray.baker@lythamhigh.lancs.sch.uk) and I will hopefully be able to answer your queries.

Yours sincerely,

Ray Baker

ASPIRATION - ENDEAVOUR - INTEGRITY - RESPECT
