Dear Parents/Carers,

Please find attached the letter received from Mr Martin Pye HMI outlining the results of the short inspection carried out in January.

I am pleased that the school continues to be judged as good and that the inspector recognised and commented on many strengths and positive aspects of the school's work.

In particular the pupil's enthusiasm for learning, good conduct in class and the variety of school life shine through. I am extremely proud of the children for their positive attitudes to learning and would like to take this opportunity to thank them as well as you, the staff and governors for all your hard work and support.

I will now be looking carefully at the recommendations made in order to improve further and will be generating a plan of action with governors, staff, parents and pupils.

Yours sincerely,

Miss L Taylor
Headteacher
