

SING UP, IT'S CHRISTMAS!

1. Can you feel the magic all around?
Jingling, tingling, festive sights and sounds.
Lights twinkle on the Christmas tree,
Presents are wrapped for you and me.
Wonder what's inside, you'll have to wait and see!

CHORUS

**Hear the bells ring out as we all shout,
It's a wonderful time of year.**

**Choirs are singing songs that are bringing joy to all who
hear.**

**“Rejoice, rejoice,” the angels say,
“Celebrate this Christmas day.”**

**Join in, sing along, join in sing along,
Join in sing along, sing up it's Christmas!**

2. Ev'ryone together having fun.
Eating, drinking, Christmas has begun.
Songs being sung in harmony,
Dancing with joy and revelry.
Counting down the hours 'til we see if Santa's been!
