## Information for parents/carers

Our tutors, coaches and support team will always do their utmost to support each child, including providing 1:1 support or greater, where required. If they wish parents/carers may stay at any session, but we ask that **new parents/carers stay on site for your child's first session** whilst we get to know you both. A member of our support team will be allocated to you. At future sessions your child may be left in the care of our team, where we are able to meet his/her needs. For sessions that include swimming we may ask you to attend if your child cannot change in/out of swimwear without assistance.

We can adapt many sports sessions to include wheelchair users. All indoor and some outdoor venues are accessible.

Our Team Leaders are Safeguarding Level 3 trained, and we have a team of Designated Safeguarding Leads. Staff trained in emergency first aid are present at all events. We also have staff trained in buccal midazolam to support children with epilepsy and in the use of Epipens/ adrenalin auto-injectors in the management of anaphylaxis. **Parents/carers must be available on an emergency telephone number.** If you would like to find out more, or discuss any concerns, please email; [leisure@dorsetcouncil.gov.uk](mailto:leisure@dorsetcouncil.gov.uk)
