

Maths

In Maths we will be focusing on the composition of numbers 11-19 by using our number knowledge of numbers to 10 to support addition and subtraction. We will then look at these numbers in different contexts including measuring length and height. We will then move onto unitising and coin recognition and this will cover counting in 2's, 5's and 10's.

English

We will start this term by sharing the story of Rainbow fish and look at setting descriptions and re telling the story. We will also look at non-fiction writing and make fact files about under the sea. We will also look at a wonderful film called Bubbles which will lend to creative writing and allows opportunities for us to further develop our use of conjunctions. Then our last story of the half term will be 'Lost and Found' by Oliver Jeffers and will allow us to write narratives about losing and finding.

Art/DT

In Art we will be exploring printing which will involve creating patterns in various ways. We will also explore different materials and how printing with them can create different textures.

Year 1

Summer 1

Explorers

Computing

In Computing we will be looking at digital writing and this will involve exploring keyboards and how this works. We will learn to type, edit and remove text and how to use the toolbars.

History/Geography

Over the next half term our topic will be 'Explorers'. We will be focusing on the lives of significant individuals from the past and their national/international contributions.

Music

In Music we will continue to build on the vocabulary and skills that we have previously learnt and we will be having fun with improvisation. We will look at songs that we can sing during the day that go with our day to day activities such as getting dressed and brushing our teeth.

Science

In Science we will be looking at an Introduction to Plants which will look at what makes up a plant, the parts of a plant, types of plants. We will also explore deciduous and evergreen plants and identifying types of seeds.

RE

In R.E we will be learning about Judaism and the importance of Shabbat. We will be comparing this to the importance and routine attached to days of the week and will also compare and contrast with our previous knowledge of Christianity.

PSHE

PSHE will focus on 'Healthy Me' and 'Being My Best'. This topic will look at a healthy diet, germs and keeping ourselves safe.

PE

The Dragonflies will be doing P.E on Monday and Tuesdays this half term. The Butterflies will be doing P.E on Monday and Thursdays. We will spend Summer 1 focussing on Athletics and getting ready for Sports Day.
