

Maths

In Maths this half term we will continue to look at Place Value of numbers to 100 including continued work on number formations. We will also build our fluency when adding and subtracting and develop our recall of key number bonds. We will also continue looking at Time which will involve beginning to tell O'clock and half past times.

English

In English this half term we will be sharing the story 'Pig the Pug', 'Magic Bed' and 'Yeti and the Bird'. We will be continuing to make sure finger spaces, full stops and capital letters are being used as well as using adjectives and conjunctions in our writing. We will also be looking at adding a prefix and suffix to some words and focusing on our spellings when writing independently.

Art/DT

In D&T this half term we will be learning about weaving. We will follow the research, design, make, review cycle to create our own weaved bowls by the end of term.

Year 1

Summer 2

Beside the Seaside

Computing

In Computing this half term, we are going to be learning about Programming and this will involve programming our very own animations using scratch jr.

History/Geography

Our Topic this half term is all about the seaside and it will involve studying our local area and our nearest beach. We will be comparing our seaside with others nationally and we of course have our trip!

Music

In Music this half term we will be looking at the use of Melody, Tempo and Rhythm and will be practising singing in unison, copying back melodies and composing with given notes.

Science

Our last topic for science this year will centre upon making connections in our previous learning and investigating science through stories. This will include answering key questions looking at methods and how we manage data.

RE

In RE we are going to continue to focus on Judaism and focus on the importance of Rosh Hashanah and Yom Kippur.

PSHE

PSHE this half term will focus on growing and changing and will include looking at 'healthy me' 'then and now' 'who can help us' and 'surprises and secrets'.

PE

Over this half term P.E will focus on net and wall games for 1 lesson a week and then striking and fielding fundamentals for the other lesson.
