

Maths

We are going to be developing our place value knowledge of numbers up to 1,000; counting forwards and backwards, using different representations (number lines, place value counters, base-10), comparing and ordering, addition and subtraction and using this to solve a range of problems.

English

We will be looking at the following texts during our reading into writing sessions.

The First Drawing by Mordicai Gerstein

The Stone Age boy Satoshi Kitamura

Sprout Boy File (Christmas film) - by Mordicai Gerstein

We will also be looking at UG by Raymond Briggs during our reading sessions.

Art/DT

Exploring colours, blending and effects including collage to recreate artwork with a focus on 'light'.

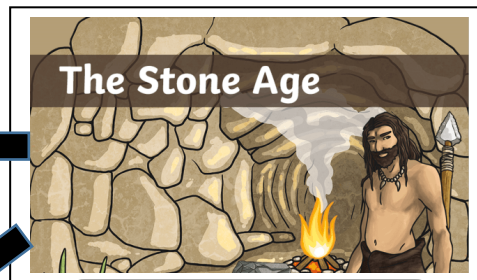

Design & Make – a Stone Age Roundhouse and evaluating our work.

Year 3

Autumn Term 2nd Half

Computing

E safety: keeping ourselves safe online and knowing what to do if help is needed.

Using technology to find information. To use programs to present learning.

History/Geography

The Children will continue to learn about STONE AGE, BRONZE AGE Life & IRON AGE and look at how their lives compared and differed to ours today. For Geography, we will be focussing on key learning skills.

Music/French

French: The children will learn new vocabulary through the story of a boy who visits France. They will also find out about the key landmarks of Paris.

Music: We will be developing our improvisation skills using traditional songs such as Oh When the Saints.

Science

This half term we will be looking at LIGHT: Light & Shadows, reflection, and how we should be protecting our eyes.

RE

Our main religion focus this half term is Christianity, where we will be focussing on Christmas. We will be discussing whether Christmas has lost its true meaning?

PSHE

This term we will be focussing on valuing differences and also focussing on anti-bullying.

PE

This term, we will be doing gymnastics. We will also continue with our invasion skills whilst playing hockey and tag rugby.
