

Maths

This half term, we will be looking at fractions, focusing on fractions of amounts, equivalent fractions, along with comparing and ordering fractions. We will also be looking at time, where we will be learning to tell the time, learning about the months of the year, and the quantity of time. The children will also be given the opportunity to use their understanding to solve some problem solving tasks.

English

We will be learning about the following texts/films:

- The Miraculous Journey of Edward Tulane
- Flotsam by David Wiesner
- The Mysteries of Harris Burdick by Chris Van Allsburg

We will be producing a range of writing about the texts/films. We will continue to focus on reading for fluency and reading comprehension.

Art

This term we will be exploring plant art, and focusing on artists who focus on leaf and flower art. We will be exploring a range of mediums to capture the colours, detail and texture of plants.

Year 3

Summer Half Term 1

Computing

This term we will be looking at creating media using desktop publishing software and consider careful choices of font size, colour and type to edit and improve documents.

History

During the Egyptians we will look at: achievements of the earliest civilizations –Ancient Egypt, Gods, religion, and impact on culture and belief. We will also find out about Historical trade links, distribution of natural sources.

Music/French

French: The children begin by learning parts of the body through songs and a short story. Then we look at summer time and holidays particularly looking at beach related vocabulary.

Science

This half term we will be looking at the circle of life of Plants. We will be looking at plant parts, plant lifecycles and the requirements for plant life and reproduction.

RE

This half term we will be learning about Hindu Beliefs in Hinduism. We will also be looking at sharing and community in Sikhism.

PSHE

This term we will be looking at the SCARF unit on 'Being My Best'. Children will explore ways in which they can look after themselves and their bodies, in order for them to be the best version of themselves.

PE

This half term the children will be going swimming, where they will be learning about different strokes, as well as how to be water safe.

We will also be learning about different athletic sports and skills.
