

Maths

Children will be consolidating understanding of place value. We will then move on to looking at addition and subtraction, using standard written methods.

We will encourage the children to learn their times table facts by heart.

English

We will be looking at the following texts and films during our reading into writing sessions.

The Boy Who Grew Dragons

Bird on a Wire (short film)

Dragon Slayer (short film)

We will be answering VIPERS questions on each text as well as writing in different styles for different audiences.

Art

We are looking at form and sculpture, making Roman amphorae using a range of techniques.

Year 4

Autumn Half Term 1

Computing

We will be learning about how the internet is constructed and used.

Geography

We will be learning about Europe, looking at the countries and their environmental regions, key physical and human characteristics, and major cities.

Music/French

Music: We will be developing our musical skills of composing, singing and playing through the music of Abba.

French: We will be looking at France with a mini-project on Paris, linking with our work on Europe.

Science

This half term we will be learning about our teeth, their function and how we can keep them healthy. We will also be learning about our digestive system.

RE

Our main religion focus this half term is Judaism. We will be looking at how and why Jews make a covenant with God.

PSHE

This term we will be focussing on "Me and My Relationships" and "Valuing Differences".

PE

This term we will be playing invasion games, looking at passing, catching, teamwork and putting those skills together as a game. The games we are looking at are football and netball.
