

English: Reading into Writing

- ◇ High Flying Giraffes: We will be using visual literacy to support us in writing instructions on how to dive and commentary using giraffes.
- ◇ Kasper – Prince of Cats, by Michael Morpurgo: We will be looking at character descriptions, letters, advertising leaflet, balanced report and a recount. We will be looking at the Titanic and debating whose fault it was.
- ◇ We will also be continuing practising and developing our handwriting.

Maths

- ◇ Volume: We will be looking at how we can work out the volume of shapes and exploring effective strategies to complete multiplications.
- ◇ Factors, primes and multiples: We will be exploring numbers deeper by learning about factors and multiples of numbers and also learning what a prime number is.

We will be using a range of manipulatives to deepen our understanding of these key concepts, which will further support us in solving mastery problems

Science

Living Things and their Habitats

We will be learning about the lifecycles of plants, insects, birds, reproduction in plants and animals.

Year 5

Summer 1

PE

- ◇ We will be developing and learning a range of athletics skills, where we can practise and refine our skills to develop our personal best, in track and field events ready for Sports Day.

Music

History & Geography

Rainforests

We will be learning what and where Rainforests are. We will be studying the different layers and the diverse wildlife that make the Rainforests their homes. We will also look at the causes and effects of deforestation.

French

We will be exploring directions

Computing

We will be exploring different ways of creating media focusing on vector drawings.

PSHE

Being My Best: We will be looking at keeping ourselves healthy. Discussing healthy and unhealthy choices that we make for ourselves.

RE

Hinduism- Does Karma help Hindu's lead a better life?

D&T

We will be creating cam-toys that have movable fixtures on; using a range of equipment.
