

## Maths

Children will be learning standard written methods of multiplication and division, moving on to solving problems using these methods.

They will be moving on to exploring area and then fractions and decimals.

We are trying to encourage the children to learn their times table facts by heart.

## English

We will be looking at the following texts during our reading into writing sessions.

Winter's Child

Weslandia

Little Shoemaker (a film)

We will be answering questions on each text as well as developing our writing skills by writing in different styles for different audiences.

## Art/DT

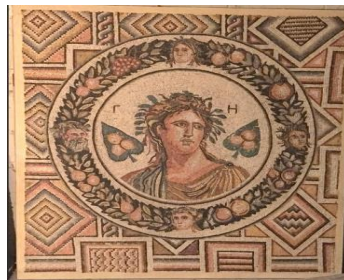

We will be focussing on drawing, looking at how to use shading, scale and proportion and symmetry in our work.

# Year 4

## SPRING Half Term 1

## Computing

We will be learning about computer programming. Pupils will create programs by planning, modifying, and testing commands to create shapes and patterns.

## History:

We will be continuing to find out about life in Roman Britain, looking at religion, food and clothing and much more.

## PSHE

This term we will be focussing on keeping ourselves safe with a focus on safe internet use and relationship education.

## Science

This half term we will be looking at SOUND: How sound is made and how it travels, investigate pitch and volume and learn how we hear.

## RE

We will be looking at Judaism, exploring the question: How do Jewish beliefs, teachings and stories impact on daily life?

## Music/French

**French:** This term we will focus on school life, including learning stationary items. The children will learn new sentence starters to use with their new vocabulary.

**Music:** We will continuing to develop our musicianship skills in inspired by the music of ABBA.

## PE

This term, we will be continuing with invasion games looking at basketball. We will also be doing dance in indoor PE.
