If you would like your child to join our lovely out of school family, please complete the registration and booking forms on the school website and state the sessions you require.

Bookings and payments are made half termly, in advance, via ParentPay. You will be given an activation code for this when your child starts at our school.

The children are all very happy in our clubs and love to come and play with their friends. We are conscious that this is their time to wind down and relax, so we want them to feel at home with us in a safe, happy and nurturing environment.

I work full time in school as a teaching assistant and this continuity is very helpful, ensuring that the children are very well known and understood.

As soon as you register your child, I will send you a dojo activation code so I can share information with you, but if you want to ask **ANYTHING** at all please message me via dojo, email asc@lytham.lancs.sch.uk .

We look forward to welcoming you and your child.
