

## Lytham CE Primary School Equalities Policy

### 1 Statement of Principles

The policy outlines the commitment of the staff, pupils and governors of LYTHAM CE PRIMARY SCHOOL to ensure that equality of opportunity is available to all members of the school community. For our school, this means not simply treating everybody the same but understanding and tackling the different barriers which could lead to unequal outcomes for different groups of pupils in school, whilst celebrating and valuing the achievements and strengths of all members of the school community. These include:

- Pupils
- Staff
- Parents/carers
- The governing body
- Multi-agency staff linked to the school

We believe that equality at our school should permeate all aspects of school life and is the responsibility of every member of the school and wider community. Every member of the school community should feel safe, secure, valued and of equal worth.

At LYTHAM CE PRIMARY SCHOOL, equality is a key principle for treating all people fairly and creating a society in which everyone has the opportunity to fulfil their potential - irrespective of their gender, ethnicity, disability, religion or belief, sexual orientation, age or any other recognised area of discrimination.

Our School Council produced an Equality Charter which includes the following statement: 'We are all precious and equal in the eyes of God.'

Our School Motto embraces our belief that, 'Together We Grow With God'

We reviewed our mission statement which is now: 'To inspire everyone in our school family to be the best they can be within our caring Christian community' and we share across school the same Christian values which permeates through the mission statement for all members of the school community.

Our most recent Ofsted recognised our inclusive ethos and community involvement: 'The school is very inclusive and pupils feel valued as individuals'  
'They have a strong identity with the local community which is enhanced by the many productive links with local organisations and individuals.'

### Monitoring and Review

LYTHAM CE PRIMARY is an inclusive school, working towards greater equality in the whole school community. We use the curriculum and teaching to enhance the self-esteem of all those it serves and to provide a learning environment in which each individual is encouraged to fulfil her or his potential.

We collect and analyse a range of equality information for our pupils/students:

- Attainment data
- Attendance data
- Ethnicity
- SEN
- Free School Meals
- Exclusions
- Pupil Premium

We make regular assessments of pupils' learning and use this information to track pupils' progress, as they move through the school. As part of this process, we regularly monitor the performance of different groups, to ensure that all groups of pupils are making the best possible progress. We use this information to adjust future teaching and learning plans, as necessary.

Resources are available to support groups of pupils where the information suggests that progress is not as good as it should be. The governing body receives regular updates on pupil performance information.

School performance information is compared to national data and local authority data, to ensure that pupils are making appropriate progress when compared to all schools, and to schools in similar circumstances.

As well as monitoring pupil performance information, we also regularly monitor a range of other information. This relates to:

- Attendance
- Exclusions and truancy
- Racism, disability, sexism, homophobia and all forms of bullying
- Parental involvement
- Participation in Extended Learning Opportunities

Our monitoring activities enable us to identify any differences in pupil performance and provide specific support as required, including pastoral support. This allows us to take appropriate action to meet the needs of specific groups in order to make necessary improvements.

Lytham CE Primary School is also committed to providing a working environment free from discrimination, bullying, harassment and victimisation. We aim to recruit an appropriately qualified workforce and establish a governing body that is representative of all sections of the community in order to respect and respond to the diverse needs of our population.

We collect and analyse a range of profile information for our staff and governors:

For example, applicants for employment, staff profile, governing body profile, attendance at training events, disciplinary and grievance cases, staff appraisal/performance management, exit interviews.

All information we hold is confidential.

We have identified the following issues from the analysis of the data:

- Staff and governor data to be separated into ethnicity, disability and gender

Due regard is given to the promotion of equality in the School Improvement Plan. The person responsible for the monitoring and evaluation of the policy and action plan is Mrs. H. Willott, headteacher.

Their role is to:

- Lead discussions, organise training, update staff in staff meetings, support discussions
- Work with the governing body on matters relating to equality
- Support evaluation activities that moderate the impact and success of this policy

Note:

Under the Equality Act 2010, in very limited circumstances, an employer can claim that a certain religious denomination or belief is considered to be a genuine occupational requirement of that role. An aided school may be able to rely on this for some roles in school, particularly those roles that provide spiritual leadership. However this would not apply for all staff in School.

In addition, there are also instances in which a job will qualify for a genuine occupational requirement on the grounds of gender. However, only in very few instances would this be permissible, for example, where the job is likely to involve physical contact with members of the opposite sex, where matters of decency or privacy are involved.

We will work with parents/carers to help all pupils to achieve their potential.

- All parents/carers are encouraged to participate in the full life of the school.

## 8 The Measurement of Impact of the Policy

This policy will be evaluated and monitored for its impact on pupils, staff, parents and carers from the different groups that make up our school. An action plan will be published to enable an impact assessment to be undertaken at the appropriate time within a given timescale.

## 9 Publicising the Policy and Plan

The Policy will be included in all staff induction packs and will be available on the school website.

## 10 Annual Review of Progress

We are legally required to report annually on progress and performance in respect of this policy covering ethnicity, disability and gender and to report annually on progress to improve access for disabled pupils, including access to the curriculum, physical access and access to information. Taking this single equality approach, we will incorporate all requirements into one annual report which meets the requirements of the new legislation and which will formulate the basis for the annual action plan.

## 11 Equality Impact Analysis

Undertaking equality impact analysis (EIAs) is similar to undertaking health and safety risk assessments. It involves predicting and assessing what the implications of a policy, function or strategy will be on a wide range of people.

EIAs are a way in which we can analyse all of our work (this could be a policy, procedure, project, strategy or service) to ensure it meets the needs of all our service users and that no group (in relation to ethnicity, disability, gender, age, religion and belief, and sexual orientation) is disadvantaged or cannot access our services.
