TRUST

It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education](#) Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

Impact - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school’s budget should fund these.

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils’ PE and sport participation and attainment. **All funding must be spent by 31st July 2022.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

Details with regard to funding

Please complete the table below.

Total amount carried over from 2021/22	£2,429
Total amount allocated for 2021/22	£20,509
How much (if any) do you intend to carry over from this total fund into 2022/23?	£15,925
Total amount allocated for 2022/23	£18,020
Total amount of funding for 2022/23. To be spent and reported on by 31st July 2023.	£33,945

Swimming Data

Please report on your Swimming Data below.

Meeting national curriculum requirements for swimming and water safety. N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts. Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020. Please see note above	Year 6 (2021/2022) - 89%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	Year 6 (2021/2022) - 89%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	Year 6 (2021/2022) - 100%

Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity **over and above** the national curriculum requirements. Have you used it in this way?

Yes/No

Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement				Percentage of total allocation:
				0%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
<ul style="list-style-type: none"> Children given the opportunity to participate in external competitions or coaching sessions. 	Subscribe to offers from the Wyre and Fylde Sports Premium Partnership to maximise opportunities for children to compete.	Supply costs to cover staff attending competitions. £192.50 – Sam to attend football matches.	All competitions were cancelled as a result of the Covid – 19 pandemic. As a result, no money was spent on this area.	Restore football and netball teams and competitions. Aim to access more services from the Wyre and Fylde partnership. Reinstate extracurricular programme and wider range of sports available.
<ul style="list-style-type: none"> Raise the profile of sports by encouraging children to share their achievements both from home and school. Create a focus around inspiring participation and sportsmanship. 	Out of school achievements encouraged and celebrated. School competitions and events promoted and celebrated.	£0	Children’s out of school sporting achievements were celebrated regularly during our weekly “Zoom” workshops. Additionally, during the lockdown periods, we encouraged children to share their active lives and promoted this using a video package. Throughout the lockdown period, we also published active PE videos for the children to take part in.	Continue promoting children’s sporting achievements in weekly awards celebrations.

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport				Percentage of total allocation:
				9%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
<ul style="list-style-type: none"> Curriculum support for all teachers with a focus on improving knowledge, skills, understanding and the ability to adapt for all abilities. 	<p>Sam to work alongside teachers during lesson time to upskill them in each of these areas, with a focus on games.</p> <p>Teachers to request areas that they feel that they are less confident in and PE leader to support.</p>	£1860	<p>Sam worked alongside Y3 class teachers once a week to upskill them in the fundamental movement skills. Alongside Sam staff were trained in order to effectively assess the children in a range of fundamental skills. Develop planning to reflect their acquired knowledge of the children's skills and support children to move on, making progress. This has led to raised confidence and knowledge amongst staff to lead and deliver high quality PE lessons at all times.</p>	<p>Staff are able to assess children accurately against the fundamental movement skills and readily adapt sessions to make sure all make progress.</p> <p>Staff to use the Lancashire fundamental movement skills assessment alongside implementing the new scheme of work.</p> <p>Sam to be used to offer intervention groups for children identified as lacking fundamental movement skills in LKS2.</p>
Key indicator 4: Broader experience of a range of sports and activities offered to all pupils				Percentage of total allocation:
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:

<ul style="list-style-type: none"> • Y5 given the opportunity to learn a dance and perform it at the Winter Gardens. • Y6 to be given the opportunity to experience OAA. 	<p>Brittany Jackson to be employed to lead dance for Y5, whilst upskilling Y5 teaching staff.</p> <p>Y6 pupils to be given the opportunity to take part in OAA off site.</p>	<p>£275</p> <p>£950</p>	<p>Staff have expressed an increased confidence in the teaching and sequencing of dance. Children were unable to perform publicly due to Covid.</p> <p>Children were given the opportunity to take part in canoeing, kayaking and orienteering whilst supporting local business (Fairhaven Lake).</p>	<p>Brittany to be employed again next academic year working with the same class to upskill the Y6 staff as well as enhancing the performance of the children.</p> <p>The children will continue to be given opportunities to complete OAA off site to continue to promote the community, mental health and wellbeing.</p>
--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Key indicator 5: Increased participation in competitive sport				Percentage of total allocation:
				%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
All competitive sports and competitions were cancelled due to the Covid -19 pandemic and school's risk assessment to avoid contact with others as much as possible.				

Funding Underspend

Due to the Covid situation during this academic year, school has been unable to spend it's usual allocation of money. Lytham C.E propose on using the left over money to invest in Y6 attending additional swimming lessons in the Autumn term, to ensure that all children have the chance to reach the KS2 standard before leaving school. Additionally, we aim to spend the largest amount, investing in our school's future legacy for physical activity. We propose to do this by allocating money to a "daily mile" track to be placed around our school field. This investment will hopefully open up a larger area for activity especially during the winter months.
