

Together We Grow With God

Summer Term: Issue 2

Our Christian value this half term is **LOVE**

20th April 2018

... as I have loved you, love one another John 13:34

VOLUNTEER WORK
We need you!
As you know, the 'Joyner's' have been very busy transforming the conservation area and Mrs Joyner is running the London Marathon and donating her sponsor money to this area. With this in mind we are hoping to set a date in the next few days for a 'Ground Force Day'. We will be asking for as many of you as is possible to come and spend a day helping paint fences, plant flowers and generally work together to help finish this amazing place. We will let you all know asap!

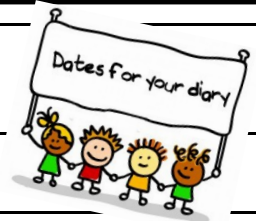

'Bog Eyed Jog'

The children had a wonderful time in their PJs despite the rain at the 'Bog-Eyed Jog'. After jogging round the edge of the playground as many times as they could, the children enjoyed toast and a drink in the school hall. Please could all sponsor monies be sent in to school before next Friday, 20th April. Thank you for your support.

This Weeks House Winners Are:

BALLAM!

Well done children

Congratulations to all our Stars of the Week

Rec. Phoebe For making a fabulous jellyfish.
Gaia For creating amazing pictures for her friends.

This week we have been thinking of ideas for our new role-play seaside shop. We have been making signs and labels and writing price tags.

Rec/Y1 Harry For trying so hard with reading!
Evie For using your super imagination!

This week we have been learning all about Spring!

Y1/2 Alfie H For working hard in maths.
Alfie R For super problem solving in maths.

This week we have been learning to name and describe parts of a flowering plant.

Y2 Oliver M For working hard with writing.
Paige For always being enthusiastic.

This week we have been writing our own Rainbow Fish stories.

Y3 Ellison For super calligram work. Ellison showed some lovely creativity.
Zachary M For creating fonts representing the word and working independently in maths.

This week we have been sorting and grouping rocks in different ways. Permeable - impermeable rocks and high-density and low density rocks.

Y4 Jessica For showing lots of enthusiasm in maths!
Katy For being an absolute joy to teach :-)

This week we have been learning all about playscripts and the golden rule when multiplying by 10, 100, and 1000!

Y5 Miranda For effort during swimming lessons.
Oliver For unconditional kindness to everybody - no matter what.

This week we have been acting out Macbeth and adding and subtracting decimals.

Y6 Aisha For always trying her best in everything she undertakes.
Adam For working really hard in preparation for the SAT tests.

This week we have been learning to compare the use of language in graphic novels and chapter books.
