

Do that which is honest' Corinthians 13:7

New Sign-In System

You will notice a new 'signing-in' screen at the main school office. This will replace the 'Late/Appointment' book and the signing In/Out book for pupils and also replaces the Visitors Book. It will mean that you use the screen to sign your child in if they are late and sign your child in and out if you are going to an appointment during the school day. Please bear with us whilst we all get used to it! It will ensure we keep all our children safe, and that we adhere to Fire Regulations amongst other things!

Children's Confirmation

On Sunday, a group of Year 5 and Year 6 pupils will be Confirmed. This very special service will be held at St Cuthbert's Church, and begins at 10am. If you are NOT being confirmed, but you would like to come, you are all very welcome to attend.

If your child is being Confirmed on Sunday, many of us will be there to be part of the Faith journey they are taking. Together We Grow With God!

Class and Team Photographs

Next Thursday, (9th) Tempest Photography will be coming into school to take class and team photos.

If your child has a team kit still at home, please could I ask that they return it to school so

they can wear it for the photos.

Dinner Money (KS2)

Dinner money for this half term (23rd April - 24th May) at £2.30 per meal is £52.90.

May I remind you that payment is due IN ADVANCE via ParentPay.

Please ensure that your account is **ALWAYS** up to date.

If you think you could be eligible for free school meals please contact the school office or check www.gov.uk/apply-free-school-meals.

Please inform the school office of any changes to your child's meal pattern.

A big thank you to the grown ups and children who gave up their time to help for Ground Force Day on Saturday. The rain just held off. The grass was cut and some general tidying took place. Work has begun to cut back the willow. The biggest transformation in recent months has been in what we were calling phase two of the garden. However, we are now referring to this as our orchard as we have five apple and six pear trees!

Bird news

You may remember that we held a successful cake sale last Summer Term to raise funds for the garden area. The children wanted to

buy a bird box with a camera inside with some of the money raised. Well we can announce that a Blue Tit has nested in the box and has laid 7 eggs! The children are extremely excited and are able to

view the inside of the bird box via the camera and a screen inside Year 1/2's classroom. Photos are on the school website under the Year 1/2 class page.

Our whole school attendance for last week was **98%**

The classes with the highest attendance were **Reception & Y1/2** with a **FANTASTIC 100%!!**

This Weeks House Winners Are:

MYTHOP!

Well done children

Congratulations to all our Stars of the Week

Rec.	Irfaana Dexter	For being able to read all the phase 3 and phase 4 tricky words. For working super hard on his independent writing.
This week we have been on a bug hunt around the school garden.		
Rec/Y1	Freddy Elsie	For super maths! For fantastic writing!
This week we have been learning about materials and bug habitats.		
Y1/2	Luke Ethan	For being a super role model. For super effort in maths.
This week we have been learning about multiplication and division and have been observing and researching how different materials are used inside and out.		
Y2	Ethan Tia	For fantastic maths work. For always working hard.
This week we have been learning to solve problems using addition and subtraction.		
Y3	Thomas Archie	For always working hard and answering questions. For always working hard and always behaving brilliantly.
This week we have been learning about Roman mosaics and have been creating our own.		
Y4	Amelia Daisy	For always producing work of an exceptionally high standard. For working hard every day in every lesson!
This week we have been learning how to make 1 whole with decimal numbers.		
Y5	Katy Ellie D.	For her sunny disposition and the ability to show positivity in any situation. For making positive choices in class and on the playground.
This week we have been learning characterisation vocabulary and using P.E.E. methods. In maths we have been drawing and measuring angles.		
Y6	Matthew George	For excellent effort and outstanding improvement. For excellent attitude and a positive focus.
This week we have been learning about the nature and character of God as told in the Old Testament.
