

# Together We Grow With God

Autumn Term: Issue 4

Our Christian value this half term is **THANKFULNESS**

25th September 2020

*.. in everything give thanks; for this is the will of God in Jesus Christ for you.*

*1 Thessalonians 5:18*

## Covid is changing the way we do things!.....

### Harvest

Sadly, we will not be gathering in Church this year to celebrate Harvest together as we have always done. Traditionally, it has always been Year 3 who lead this service in Church and I am pleased to say that they are currently preparing a special video which will be shown at St Cuthbert's Church on Sunday 4th October and will be available for parents to view on their Facebook page: St Cuthbert Lytham and on their YouTube channel: St Cuthbert's Lytham from 10am ... providing the technology works!

### Parents Evening

Again, because of the restrictions around Covid-19, we will not be able to invite you to Parents Evening in the same way. So, instead of a face to face meeting, the teaching staff will be getting in touch with you shortly to arrange a telephone consultation.

### Dinner Money

Dinner money for this half of the Autumn Term (1st September to 23rd October) at £11.50 a week is £89.70.

**May I remind you that payment is due IN ADVANCE via ParentPay.**

Year 4: This week in addition to our usual lessons, we have been enjoying the music of Mason Bates and in particular 'Sprite' from 'The anthology of Fantastic Zoology'. The piece of music is a palindrome and the children listened as the orchestral composition reversed in the centre of the piece. We had fun creating our own creatures using syllables from the names of other animals and writing fact files which included habitat, diet, habits, and special features. We have made a beautiful display of work and hopefully may get to create some of our own palindrome pieces which reflect the movement of our own creations.
