## Harvest Service

Our Harvest Service, led by Year 3, will be this Sunday (29th) in St. Cuthbert's Church at 10:00am. We would love to see as many of our families as possible there for this service of thankfulness. Year 3 children will need to wear their school uniform and will sit with their class. Any other children attending need not wear uniform and can sit with their families. Thank you so much to those of you that sent in non-perishable harvest gifts. You may bring any further donations to the service on Sunday. After the service the parishioners will distribute these to the needy in the area. Thank you.

## Trim Trail

- Thank you so much to the parents who have already volunteered to help remove the infant trim trail, however we are still in desperate need of more volunteers. If you feel you can help in any way, please leave your name and child's class at the office and we will contact you when we have details of when this will be taking place. Thank you!

## National Eye Health Week

National Eye Health Week (23rd -29th Sept) is a nationwide campaign promoting the importance of good eye health and the need for regular eye tests for all. On Saturday 28th September, the focus is on children's eye health. Children's eye tests are FREE. The NHS says 'It is important for eye problems to be identified as early as possible because they can significantly affect a child's development and education. Eye problems are often much easier to treat if detected while a child's vision is still developing'.
