

LYTHAM CHURCH OF ENGLAND SCHOOL

Together We Grow With God

Our Christian Value this half term is Respect

Headteacher's Message:

Welcome back to all our families as we begin the final half term of this school year. I am conscious that we are approaching the end of the school year and children are keen to know who their new teacher will be. We are interviewing within the next couple of weeks so I will be able to share the staffing structure for September with you in the first week in July. The children will have the opportunity to meet their new teacher and teaching assistant before we break up and then we will hold Meet the Teacher sessions very early in the Autumn term so that you can meet the staff too.

I am conscious that there have been times when we have not given families a lot of notice about things taking place in school so I have attached the details for everything happening this half term. It's going to be a busy one!

Enjoy your weekend.

Mrs Wooldridge

Jubilee activities

In Year 3, we learned all about the Queen's life - from her birth on 21st April 1926, all the way up to our Jubilee celebrations today! Here are just a few of the things we have learned:

- the Queen wasn't born to be Queen
- she was a mechanic during World War 2
- on her 21st birthday, Princess Elizabeth pledged to serve her country for the rest of her life
- as a young couple, Princess Elizabeth and Prince Philip lived a happy life in Malta; this was also the final Commonwealth country they chose to visit before retiring from overseas trips more than 60 years later.

As part of our learning, we created a timeline display which is more than 3m long. We also created a human timeline which was even longer than the junior playground!

Our Christian Values Superstars

Year Two	Joshua and Reggie	
Year Three	Eva and Charlie	
Year Four	All of our fantastic mathematicians	
Year Five	Yasha and Darcey	
Year Six	Bronte and Seb	

Snippets from the classrooms

Reception - This week we have been talking all about how special our daddy's are. We have done some amazing independent writing about them. We have also made them a surprise to keep! In our outdoor area we have a new relaxation zone. It is a lovely space to chill out and relax and read. We love reading books in Reception so this new area is going down a treat!

Year three - We are delighted to be finishing off our iMovies in Computing. We have been creating our own Book Trailers to advertise our favourite books. Our skills are developing as we learn more each week about the additions we can make to our short films using the extra features of the program.

This week in Year four, we have been looking at changing states of matter in Science and in Music, creating fabulous artwork inspired by the music of Benjamin Britten.

Sports Day (also posted on School Story)

It has been a number of years since we have been able to welcome you to sports day, so I am excited to say that we can finally confirm that sports day will take place on Thursday 23rd June 2022 (weather permitting). All activities will take place on the school field.

- KS1 will complete their races and activities from 9:15am until approximately 11am.

- KS2 will complete their races and activities from 1pm - 3pm.

All families are welcome to attend so please invite those who may wish to come. Please bring your own chair or blanket if you wish to sit as we are unable to provide seating. If you wish to stay for both key stages, you will need to leave the school premises over lunchtime to ensure we can keep the children safe over lunch.

Hopefully, it will be a wonderful experience, with many of our children taking part in their first and last sports day with us so we hope to see you all there.

Finally, please can we respectfully ask you to stay within the marked areas to ensure we can monitor and keep the children safe. If you are in attendance, please could you remind the children to seek the help of school staff rather than come to you. This will help us keep all the children safe.

Club day

Please check your children's bags for the letter from Mrs. Bailey regarding Club Day.

Life Education

The Life Education Team will be working with each class on Thursday 30th June and Friday 1st July. Their approach is designed to give pupils a voice and for them to feel empowered, able to identify and articulate their needs and feelings and to make healthy choices. Harold, their healthy-living giraffe mascot, helps to convey these messages to children, within a magical learning environment. Children's experience of Coram Life Education's workshops is fun, engaging and memorable. There will be a workshop for parents at 9am on Friday 1st July if you would like to find out more.

Year One assembly

Year one will be leading their class assembly on Tuesday 5th July. Parents are very welcome to attend!

End of Year Service

Our end of year service will be at St John's Church on Tuesday 19th July at 10am. If you would be available to walk with our children (we would not be able to allocate you to your child's class) please message me directly then I can include you in our numbers. Thank you in anticipation.

Mrs Wooldridge

Summer 2 'at a glance'

Date	Event
Tuesday 21 st June 9.15-10.45am 1.30-3pm	New reception children visiting school
Thursday 23 rd June	Sports Day
