Autumn Newsletter

Welcome Back

Welcome back after the Summer. We are thrilled to have you all back with us in school. Things feel a little bit more normal than this time last year and being together again has literally never felt so good. We have had worships together in the hall and played together in the playground. It has been lovely to see staff socialising again in the staff room. Our Christian Value for this half term is SERVICE and we hope to continue to serve our pupils and families in the usual way now that we are able to.
