1. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

2. Legislation and Guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- [The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013 and the 2024 amendment](#)

It also refers to:

- [School census guidance](#)
- [Keeping Children Safe in Education](#)

- Communicating the school's high expectations for attendance and punctuality regularly to pupils and parents through all available channels

3.3 The designated senior leader responsible for attendance

The designated senior leader (also known as the 'senior attendance champion') is responsible for:

- Leading, championing and improving attendance across the school
- Setting a clear vision for improving and maintaining good attendance

- Advising the headteacher/senior attendance champion (authorised by the headteacher) when to issue fixed-penalty notices

The attendance officers are Jeanette Carter and Karen Wood and can be contacted via 01782 987800 or attendance@madeley.set.org

3.5 Form tutors and class teachers

Form tutors and class teachers are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information to the school office each and every school day.

3.6 School admin/office staff

School admin/office staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents/carers to form tutors, the attendance team or a member of the pastoral team where appropriate, in order to provide them with more detailed support on attendance

3.7 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends school every day on time
- Call the school to report their child's absence before 8.30am on the day of the absence and each subsequent day of absence, and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Keep to any attendance contracts that they make with the school and/or local authority
- Seek support, where necessary, for maintaining good attendance, by either contacting their child's form tutor, head of year or any member of the pastoral or attendance team who can be contacted via 01782 987800 or email address on the school website.

3.8 Pupils

Pupils are expected to:

- Attend school every day, on time
- Attend every timetabled session, on time

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day (morning registration), at the beginning of each timetabled lesson and once during the second session (afternoon registration). It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 8.35am and ends at 3.05pm.

Pupils must arrive in school by 8.30am on each school day.

The register for the first session will be taken at 8.35am and will be kept open until 9am. A register will then be taken at the beginning of each timetabled lesson every day, which will include the second session for the day.

4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on each day of an unplanned absence by 8.30am, or as soon as practically possible, by calling 01782 987800 or speaking directly with the attendance officer or a member of the pastoral team. They can also email the attendance officer via the attendance email address: attendance@madeley.set.org

If parents do not contact the school on the morning of the first day of absence, a member of the attendance or pastoral team will try to contact them to find out the reason for absence. This ensures that the parent is aware their child is not in school enabling the parent, where necessary, to establish that their child is safe. The school may establish contact either by telephone, text message or a home visit may be completed. If a reason is still not known after 5 school days, the absence will be unauthorised and reported to the local authority.

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised, and parents will be notified of this in advance.

4.3 Planned absence

We expect parents to make medical and dental appointments for their children before or after school or during the school holidays whenever possible. If this is not possible, confirmation of the appointment will be required prior to authorising the absence and an M code used on the register to record when the child has attended the appointment.

Children are expected to attend school prior to the appointment and parents are expected to return their children to school following the appointment.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

If lateness is a cause for concern, the following procedures will be followed:

1. Parents will receive a letter informing of the concern.

2. If no improvement, the attendance officer or head of year will contact parents to further discuss and offer support and advice to improve punctuality.
3. If still no improvement, parents and pupils will be invited to a meeting with the attendance officer or head of year to discuss the reasons for lateness and to offer support. Referrals to wider support services may be offered if needed. The discussion held will be documented by the member of staff and an action plan to improve punctuality will be devised with parents and the pupil during the meeting and a review date set if needed.
4. If no improvement is seen after the meeting has taken place, the school may follow the Local Authority Code of Conduct for issuing penalty notices for persistent lateness.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school in some cases may contact Staffordshire Safeguarding Team or the Police
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider referring to the local authority.
- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with, school will issue a notice to improve, penalty notice or other legal intervention (see section 5.2 below), as appropriate

4.6 Reporting to parents

The school will regularly inform parents (see definition of 'parent', as used in this policy, in section 3.7 above) about their child's attendance and absence levels: it can be seen daily on Arbor and via their child's written report.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time or reduced timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as unexpected, unavoidable and outside of your control.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 15 days in advance before the absence, and in accordance with any leave of absence request form, accessible via the attendance page on the Madeley School website. The headteacher may require evidence to support any request for leave of absence.

Where a child does not reside with both parents, it is the responsibility of the parent making the request to inform the other parent. The school will send a letter to the parent making the request informing them if the absence will be authorised or unauthorised.

If a request for leave has not been received and we have reason to believe a pupil is on holiday, a home visit may be completed by one of the school's attendance officers and a letter will be sent to parents requesting medical evidence for the absence. If no medical evidence can be provided, the absence may be recoded as unauthorised, and a penalty notice request sent to the Local Authority.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)

- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £60 within 21 days, or £120.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)

- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

6. Strategies for promoting attendance

Good attendance begins with school being somewhere pupils want to be and therefore the foundation of securing good attendance is that Madeley School is a calm, orderly, safe, and supportive environment where all pupils are keen and ready to learn.

Regular communication with parents is key in supporting a child's attendance and punctuality. This is done in a variety of ways:

- Attendance newsletters
- Notice boards around school
- Letters sent to parents
- Text messages
- Emails
- School website
- Arbor
- Telephone calls
- Face to face discussions and meetings
- Action planning, attendance contracts and bespoke support packages, which may include phased return to school, reduced timetable, specific spaces in school dedicated to support a child back into the classroom and one to one support and mentoring for example.

Strategies for rewarding and celebrating good attendance:

- Reward assemblies
- Weekly and termly pupil, form and year group rewards
- Initiative and reward programmes at key periods of the academic year e.g. 12 Days of Christmas

7. Supporting pupils who are absent or returning to school

7.1 Pupils absent due to complex barriers to attendance

Where a pupil has complex barriers to attendance the school uses a range of support strategies to foster a positive school environment for the pupil:

- One to one work with the student and parents to identify the barriers to attendance
- Complete a bespoke action plan addressing the barriers with the aim for them to be removed over a period of time
- Consider flexibility in applying attendance policies that consider the unique circumstances of disadvantaged pupils, such as flexible timetables over a set period of time
- Offer emotional coaching and mental health support to help pupils deal with personal challenges that might affect attendance
- Offer pupil a positive peer mentor or role model who can provide guidance, support, and encouragement
- Establish strong partnerships with families by involving them in school activities, meetings, and decision-making processes. Regard parental engagement as a two-way process: involving not just informing parents
- Ensure adaptive teaching approaches are employed in lessons to make learning ambitious and accessible to all
- Offer targeted academic interventions, such as tutoring or mentoring, to help pupils catch up and succeed academically
- Implement incentives for good attendance, such as rewards, recognition, or extra-curricular opportunities
- Where it may be appropriate organise workshops and provide resources for parents on the importance of attendance, how to overcome barriers, and how to support their children's education

7.2 Pupils absent due to mental or physical ill health or SEND

Where a pupil is absent due to mental, physical ill health or SEND the school uses a range of support strategies for the pupil:

- Bespoke plan that identifies barriers, with a support package to remove or reduce these barriers
- Consider flexibility in applying attendance policies that consider the unique circumstances of the pupil, such as flexible timetable over a set period of time
- Establish strong partnerships with families by involving them in school activities, meetings, and decision-making processes. Regard parental engagement as a two-way process: involving not just informing parents
- Specific spaces in school dedicated to support the pupil back into the classroom
- One to one mentoring, key member of dedicated staff to support pupil with concerns and barriers they may face each day
- Offer pupil a positive peer mentor or role model who can provide guidance, support, and encouragement
- Where physical health may be a barrier due to a child's mobility, lift access and rooming changes to ensure all lessons can be accessed

- Ensure adaptive teaching approaches are employed in lessons to make learning ambitious and accessible to all
- Offer targeted academic interventions, such as tutoring or mentoring, to help pupils catch up and succeed academically
- Implement incentives for good attendance, such as rewards, recognition, or extra-curricular opportunities
- Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority.

7.3 Pupils returning to school after a lengthy or unavoidable period of absence

The school will put together a bespoke support package, which will be tailored to the individual child and their needs. This could include one or a range of the following:

- a phased return to school over a specific period of time.
- a reduced timetable, with the aim over a period of time to reintroduce the student to a full timetabled curriculum where appropriate
- specific spaces in school dedicated to support a child back into the classroom
- one to one support
- mentoring programme from a range offered at school

8. Attendance monitoring

8.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

The school has granted the DfE access to its management information system so that data can be accessed regularly and securely.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement and share this with the academy counsellors.

8.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and

- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

8.3 Using data to improve attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to form tutors and heads of year, to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs co-ordinator, designated safeguarding lead and pupil premium lead)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available

- Explain the potential consequences of, and sanctions for, persistent and severe absence
- Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above)

9. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum every 3 years the designated senior leader responsible for attendance. At every review, the policy will be approved by the full governing board.

10. Links with other policies

This policy links to the following policies:

- Child protection and safeguarding policy
- Behaviour policy
