

The CEIAG framework at Madeley is incorporated in the school Personal Development programme, assemblies and themes for the week, morning tutorial programme and national awareness days and themed weeks including national careers and apprenticeship week. The framework includes aspects of careers, enterprise and employability.

Learner analysis

Appropriate resources and support given to enable learning considers the following:

- Age and ability
- Prior learning
- SEN

Evaluation of our CEIAG Programme

Our careers programme is evaluated, analysed and reviewed using a variety of methods.

- One to one careers guidance interviews
- Staff and student feedback and questionnaires at the end of modules and PD days
- Provider feedback
- Parent questionnaires
- Year 11 intended destination questionnaires and review
- Annual CEIAG report
- Destination figures

The data provides us with information to prove the quality and effectiveness of our provision and identify any improvements which need to be made.

Gatsby Benchmarks

We are working closely with the Careers and Enterprise Company <https://www.careersandenterprise.co.uk/> to achieve the Gatsby Benchmarks for our careers provision in school. More information about the Gatsby Benchmarks can be found here <https://www.gatsby.org.uk/uploads/education/gatsby-careers-4-pager-updated.pdf>

In Summary the Benchmarks are:

1. A stable careers programme
2. Learning from career and labour market information
3. Addressing the needs of each pupil
4. Linking curriculum learning to careers
5. Encounters with employers and employees
6. Experiences of workplaces
7. Encounters with further and higher education
8. Personal guidance
