

Compass Personal Development Block Plan

Compass CEIAG lessons and whole-school links | 2026–2027

Delivery model

Compass CEIAG Personal Development lessons are integrated with the wider Personal Development and Life Skills programme. Form tutors and specialist staff contribute, supported by employer/provider encounters and subject-based careers learning.

The 2025–2026 uploaded block plan details Years 7–9; the 2026–2027 block plan below is an updated planning framework for Years 7–11 rather than a verified lesson-by-lesson timetable.

Year 7 – Careers and identity

Jobs and careers; jobs in our community; strengths and aspirations; skills; careers exploration with Unifrog. Links to confidence, resilience and aspiration.

Year 8 – Employability

Teamwork, communication, enterprise, interests, personal strengths, career stereotypes and exploring sectors.

Year 9 – Options and pathways

Employability skills; GCSE options; career sectors; local LMI; college, apprenticeship and technical routes; supported decision-making.

Year 10 – Workplace readiness

Applications and CVs; workplace behaviours; interviews; safeguarding and health and safety; work experience preparation, reflection and employability skills.

Year 11 – Post-16 transitions

Post-16 options and applications; apprenticeships, technical education and sixth forms; interviews; independent guidance; transition and contingency plans.

Quality assurance and monitoring

For each lesson/block record: year group, learning intention, lead, delivery window, Gatsby/CDI mapping, resources, attendance/participation and learner reflection.

Use the October 2026 Overview Calendar and school timetable to confirm precise block dates, lesson sequencing and provider bookings. Review termly with SK, MH, Heads of Year and the Personal Development lead.
