

## Pupil Premium GCSE Results 2024

The attainment of our 2024 Pupil Premium cohort was record breaking following a range of strategies that positively impacted on outcomes including attendance, quality first adaptive teaching, reading and literacy skills, targeted in class intervention, formative tracking, morning RAPP time, after school boosters, and rigorous implementation of the Pupil Premium strategy:

GCSE Measure	2024 Madeley GCSE Results (PP Pupils)	2024 National Average Results (PP Pupils)	2024 National Average Results (All Pupils)	2024 National Average Results (Non-PP Pupils)	2024 Madeley Results (All Pupils)	2024 Madeley Results (Non-PP Pupils)
PP Maths 4+	78%	54%	71%	77%	89%	91%
PP Maths 5+	56%	35%	52%	59%	77%	81%
PP Maths 7+	11%	10%	19%	23%	33%	37%
PP English & Maths 4+	67%	48%	66%	72%	83%	86%
PP English & Maths 5+	44%	29%	46%	52%	65%	69%
PP English & Maths 7+	11%	6%	23%	25%	23%	26%
PP English 4+	72%	61%	76%	82%	85%	87%
PP English 5+	50%	45%	61%	67%	70%	73%
PP English 7+	11%	14%	23%	27%	32%	36%
PP Provisional P8 without 3 outliers	0.06	-0.43	0.01	0.18	0.43	0.51
PP Attainment 8	4.20	3.75	4.63	4.97	5.37	5.57
PP Maths Progress Without 3 outliers	0.22	-0.42	0.00	0.16	0.58	0.73
PP Eng Progress Without 3 outliers	-0.19	-0.40	0.00	0.33	0.17	0.33

Madeley School continues to strive relentlessly for our PP cohort to achieve in line with our non-PP cohort (or national non-PP cohort - whichever is higher). The table above shows how we currently fit

within that continuum. The green boxes highlight the averages we have exceeded, and the yellow boxes highlight the next average above.

Furthermore, PP students achieved:

- 10% of total PP GCSE grades awarded at grade 8 or above.
- 17% of total PP GCSE grades awarded at grade 7 or above.
- 28% of total PP GCSE grades awarded at grade 6 or above.
- 48% of total PP GCSE grades awarded at grade 5 or above.
- 66% of total PP GCSE grades awarded at grade 4 or above.
- 100% of PP GCSE grades in Biology awarded at grade 8 or above.
- 100% of PP GCSE grades in Chemistry awarded at grade 8 or above.
- 100% of PP GCSE grades in Physics awarded at grade 8 or above.
- 100% of GCSE grades in Computer Science awarded at grade 5 or above.
- 83% of PP GCSE grades in History at grade 6 or above.
- 75% of PP GCSE grades in Photography at grade 5 or above.
- 100% of PP GCSE grades in Spanish at grade 5 or above.

All internal data shows that when Pupil Premium pupils are in school, they achieve positively. There is a forensic focus on Pupil Premium attendance.

The table below shows the % attendance of PP students compared to non-pp. It highlights that the new approach to attendance is having a significantly positive impact (as evidenced by the 2024-25 Autumn Term data:

**Quick View**

PP 2022-23	92.27	91.91
PP 2023-24	91.65	90.71
PP 2024-25	95.3%	93.8%

Non PP 2022-23	95.83	95.6
Non PP 2023-24	96.19	96.01
Non PP 2024-25	96.09	95.76

**Year by Year**

	2022-23		2023-24		2024-25	
	FSM6	Non-FSM6	FSM6	Non-FSM6	FSM6	Non-FSM6
Attendance	88.30%	94.40%	89%	94.30%	93.20%	95.50%
FFT National	85.30%	92.60%	85.40%	92.80%	88.40%	94.50%
Difference	3.10%	1.80%	3.60%	1.50%	4.80%	1%

**Autumn Term**

	2022-23		2023-24		2024-25	
	PP	Non-PP	PP	Non-PP	PP	Non-PP
Attendance	90.12	94.78	90.16	95.17	93.8	95.76
In-School difference	N: 4.66		N: 5.01		N: 1.96	

Current position

### Autumn Term Month by Month

	Attendance month by month			
	Sept	Oct	Nov	Dec
Non PP 2022-23	95.83	95.6	95.15	94.78

In-School Difference	N: 4.54	N: 5.30	N: 5.18	N: 5.01
Non PP 2024-25	96.09	95.76		
PP 2024-25	95.3	93.8		
In-School Difference	N: 0.79	N: 1.96		

Reading is absolutely fundamental in improving outcomes and life chances. A major reading strategy is underway, utilising the technology and resources that the iPads provide in terms of resources and tracking. The Sparx reader programme is vastly increasing the words and hours spent reading by pupils. Below is a brief summary of the positive impact regarding this, with much more detail sitting behind it:
