Pupil Premium GCSE Results 2026

We are proud of the achievements of our Pupil Premium students in the 2026 GCSE examinations. The results demonstrate the positive impact of the support, guidance and opportunities provided throughout their time at Madeley School.

Our Pupil Premium students performed particularly strongly in key measures including GCSE English and Mathematics, achieving outcomes above the national averages for Pupil Premium students, with some measures above the national average of all pupils nationally (see table below). Students also achieved a positive modelled Progress 8 score and an Attainment 8 score above the national average for Pupil Premium pupils.

These outcomes reflect the hard work and commitment of our students, the support of parents and carers, and the dedication of our staff. A range of strategies have contributed to this success, including:

- High-quality adaptive teaching in the classroom
- A strong focus on reading, literacy and vocabulary development
- Targeted intervention and academic support
- Regular assessment and progress monitoring
- RAPP sessions and structured independent study opportunities
- After-school revision and booster programmes
- Attendance support and pastoral guidance
- Effective implementation of our Pupil Premium Strategy

At Madeley School, we remain committed to ensuring that all students, regardless of background, have the opportunity to achieve their full potential. We continue to work towards closing attainment gaps and enabling our Pupil Premium students to achieve outcomes in line with, or exceeding, those of their peers nationally.

We congratulate our 2026 cohort on their success and look forward to building on these achievements in the years ahead.

The table below compares the performance of Madeley School's Pupil Premium students with national outcomes for Pupil Premium and non-Pupil Premium students in 2026.
