

Abstract

Madeley School has an official school uniform which all students are expected to wear. We are conscious of cost and have kept the dress as simple as possible. Most items can be purchased quite easily from a wide variety of shops. Ties are available from the school.

Introduction

Our school uniform policy requires the support of parents. We want our pupils to be smartly and sensibly dressed, and despite fashion trends we aim to have a uniform which is practical, comfortable and fit for purpose, but also reflects the ethos and values of the school.

A uniform also helps prepare our pupils for the world of work, 'dressed for business': the business being that of learning.

The policy is an agreement between the school and parents that clarifies for parents the required uniform as set out below. All students are required to wear PE uniform as stated below for PE and sports.

Students are expected to wear their uniform with pride. Uniforms are to:

- show that they are part of Madeley School. Wearing the uniform says we're all in this together
- support students in being respectful
- give a sense of belonging for students
- give an identity to the community
- stop/ reduce peer pressure when it comes to clothes
- give a sense of order and purpose
- reduces bullying when everyone is dressed the same

Uniform appearance should be neat and tidy, with shirts tucked in. Top buttons are fastened and ties touch collars. Students are to travel to and from school in the correct uniform and to wear it appropriately during the school day and at all school functions unless stated otherwise.

Changes in the school uniform are through discussion at Academy Council meetings and consultation with parents.

Forgotten Uniform or Uniform missing.

Very occasionally a student may forget a tie or may have had a last-minute accident that means they are not in full uniform. If a pupil is in this situation they will be asked by form tutors to borrow school uniform for the day. Ties can be borrowed in exchange for a phone at student services (exchanged back at the end of the day) other uniform can be borrowed from the main reception. ALL pupils are expected to follow this procedure to ensure our uniform looks immaculate across the student body.

Mobile Phones and Electronic Devices

Whilst mobile phones have become helpful aids for parents and children to communicate on the way to and from the school, their use in the school is strictly forbidden. Students may, therefore, carry phones at their own risk but any phone switched on, in use or on show during the School day will be confiscated and held in the Main Office. This includes headphones, iPods, MP3 players, cameras or any other electronic device.

The unauthorised use of a camera (including on a phone) constitutes an invasion of privacy, and as such is strictly forbidden. Should images of other student or staff thus obtained, or any material which brings the School's name into disrepute, be published via the internet this may result in exclusion from the School.

Any valuable items are the responsibility of the student/parents and the school cannot take any responsibility for lost or stolen items, however we will endeavour to investigate any such problems if they arise.

Lost Property

Within a school a vast amount of lost property is generated. All items should be clearly marked with the student's name so that they can be returned. Any property that is not claimed will be recycled after an appropriate period of time.

Monitoring and Evaluation

The position with relation to school dress is monitored by all staff with form tutors being the people who see students first thing in the morning. Subject staff will reinforce standards before, during and at the end of lessons. All staff will reinforce standards around school throughout the day.

Sanctions may be issued if pupils do not follow the uniform policy to reinforce this; examples may include uniform report, loss of social time. Serious and repeated violations of the policy may result in further sanctions.

Repeated uniform issues are also communicated with parents and discussed to resolve these.

Reminders are given to parents through the school's regular communications.

The school has the final decision over school uniform.
