

MADELEY SCHOOL

PRINCIPAL'S POST: PARENT EDITION

• Hockey

On Tuesday 17th June, the Madeley School Hockey family made its annual trip to watch 3 international hockey matches as part of the FIH Pro-league London Leg of fixtures. 38 Hockey students were accompanied by Mr Royall and Miss Johnson. All had a fantastic day out in the sunshine, watching some of the best players in the world! We were also joined by 11 of our hockey friends from Trentham Academy, who we are supporting to help develop their school hockey programme. A great day was had by all with lots of learning opportunities which will hopefully see their love for watching and playing the sport grow.

• Year 10 Student Fund Raising for Cancer Research

We are very proud of Niyah in Year 10, who is raising funds for Cancer Research by undertaking a Mud Run at Tatton Park on Saturday 26th July.

Niyah's fundraising statement is:
“Cancer is happening right now, which is why I'm taking part in a Race for Life Pretty Muddy to raise money and save lives”.
Niyah has asked, if we could share the link below so that people can donate, if they wish to. Any donations would be greatly appreciated.
1 in 2 people will be diagnosed with cancer in their lifetime. Every single pound you donate makes a difference to Cancer Research UK's groundbreaking work.

• Year 10 Design and Technology

Year 10 Design and Technology students have made a fantastic start to their NEA coursework. This year's contextual challenges came out on the 1st of June and already the hard work and dedication seen by this cohort, has been outstanding. The summer homework tasks have now been issued on Arbor and Showbie and will also be given out on paper this week. We strongly encourage pupils to keep up with the deadlines set in class. The first of which will be the end of September for the 'Investigate and Specification' section which contributes to 16% of their final NEA grade. Keep working hard Year 10 and well done!

Important dates:

- Wednesday 2nd July - College visit to CCSW
- Wednesday 2nd July - Madeley Summer Concert starts at 6.30pm
 - Thursday 3rd July - Year 10 Alton Towers Trip
 - Friday 4th July - Year 10 Llandudno Geography Trip
 - Monday 7th July - Friday 11th July - Spanish Trip
 - Monday 7th July - 11th July - Year 10 Work Experience
- Monday 7th July & Tuesday 8th July - Year 6 Transition Days
 - Monday 7th July - Year 6 Parents' Evening at 6.00pm
 - Wednesday 9th July - Sports Day
- Thursday 10th July - Year 7/8 Manchester Science & Industry Museum Trip
 - Thursday 10th July - GCSE Art & Photography Exhibition 6.30pm - 8.00pm
- Friday 11th July - Year 9 Graduation - 2 sessions: **9.00am** - 9LD, 9NJ & 9RD **11.20am** - 9PG, 9RE & 9REC
 - Monday 14th July - Friday 18th July - Year 10 Work Experience (**Spanish Trip Students only**)
 - Tuesday 15th July - Year 7 Activity Day
 - Wednesday 16th July - Year 8 Drayton Manor Trip
 - Thursday 17th July - Year 9 Alton Towers Trip
 - Friday 18th July - **School closes at 3.05pm** for the Summer Break

• Computing

Year 10 Network Topology Challenge

Our Year 10 Computer Scientists have recently been exploring computer networks, learning about how different devices connect and communicate. To put their understanding to the test, they were set a creative challenge: to design and build their own network topology - but with a twist!

Instead of using traditional tools, students had to construct their diagrams using everyday classroom items, along with a few helpful extras generously provided by Mrs Bascombe-Price. Students ingeniously represented bus, ring and star topologies in 3D form.

The task sparked some brilliant collaboration, problem-solving and inventive thinking. This also helped students visualise how real-world networks are structured. Well done, Year 10!

Esport Club

FIFA ROCKET LEAGUE

Esports Club

Rocket League and FIFA Tournaments

Every Wednesday | Room 16

3:05 PM – 4:05 PM

Week 1: FIFA (1v1)

Week 2: Rocket League (2v2)

• CREST Award

Over the past 7 weeks, 32 students from Year 7 - Year 9 have been completing their Bronze CREST Award. The students have been seeing what it takes to become a Forensic Scientist, involving revealing and lifting latent fingerprints. The students have worked incredibly hard on researching the best methods to use to lift the latent fingerprints and analysing their results. A massive well done to all who took part from Miss Johnson and the whole Science team.

• Madeley Summer Concert

Reminder:
The Madeley Summer Concert will be taking place on Wednesday 2nd July, starting at 6.30pm.

Tickets are still available to purchase (Cash only) at the school reception and are priced at:
£5.00 each for adults
£3.00 each for Concessions

• GCSE Art & Photography Exhibition
