

MADELEY SCHOOL

PRINCIPAL'S POST: PARENT EDITION

- **Film Star**

Dan in Year 11 has been filming for a blockbuster show. At the beginning of September, Dan attended the premier of the film in New York. The film has been released and is in cinemas now! Critics have noted that Dan is one of the best child actors in years, what an accolade to receive. We are all so proud of you Dan! Well done! Who knows what your future holds!

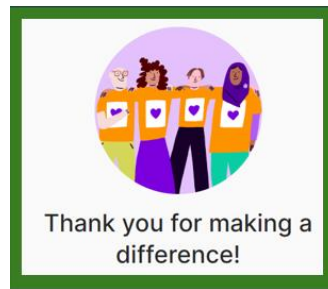

If your young person has a hidden talent which you would like to share. Please email the office office@madeley.set.org so that Mr Nixon can also celebrate their out of school achievements.

- **Fairtrade**

Mrs O'Leary organised the Fairtrade Stall last Tuesday and Wednesday. Mrs O'Leary wants to thank everyone who promoted and supported this. Considerable amounts of chocolate and some bananas were sold.

Thank you also to Year 9 Students Emily and Erin from Eco Warriors Club for helping with sales and to Charlie B in Year 8 and Michael in Year 7 who happily donned the Fairtrade banana costume!

£25.00 was donated to Fairtrade Foundation and the rest to Footprints Animal Sanctuary, here in Madeley.

- **Prospective Open Evening**

- **Recycling competition**

Where you bin? Congratulations to the winners of the find the recycling bins competition. Michael W and Christopher W in Year 7 found all 5 bins: 2 in the canteen, 1 in the hall, 1 in the science and technology block and 1 in the Sports barn. Enjoy the chocolate!

- **Year 7 Bush Craft Days**

On Wednesday and yesterday, the Year 7 Students participated in Bush Craft activities. The groups on Wednesday were blessed with dryer conditions than yesterday but a great time was had by all nevertheless. It was a fantastic opportunity for the Year 7s to make new friends and to learn new skills. The day's activities consisted of learning how to navigate, make and bake bread, forage, build and light fires safely and identify plants both non-poisonous and poisonous! The instructors were very impressed with all the students, especially with their politeness, the way they applied themselves, engagement and a give it a give it a go attitude. Well done Year 7!

Important dates:

- Prospect Parents Evening - Thursday 3rd October
- Year 11 Photographs - Monday 7th October
- Ada Lovelace Day - Tuesday 8th October
- Year 9 London Trip - Wednesday 9th October - Friday 11th October
