MAHARISHI SCHOOL TRUST LTD

GOVERNORS' REPORT

FOR THE YEAR ENDED 31 AUGUST 2025

The Governors are pleased to present this report for Maharishi Free School for the year ended 31 August 2025. As a small rural all-through school in Lancashire, we provide education for pupils aged 4 to 16, fostering academic excellence, personal growth, and community engagement. Governors are responsible for strategic oversight and ensuring the school delivers high-quality education in line with our vision and statutory requirements.

Structure, governance and management

Constitution

The academy trust is a company limited by guarantee and an exempt charity. The charitable company's memorandum and articles of association are the primary governing documents of the academy trust. Governors' of Maharishi School Trust are also the directors of the charitable company for the purposes of company law. The charitable company operates as Maharishi School Trust.

The Academy Trust's memorandum and articles of association are the primary governing documents of the School together with the Funding Agreement entered into with the Secretary of State for Education. Members of the Academy Trust comprise of the signatories to the memorandum, up to 3 persons who may be appointed by Maharishi Foundation and 1 person who may be appointed by the Secretary of State, the Chair of Governors and others whom existing members may unanimously appoint. The articles of association require the members of the Academy Trust to appoint at least three Governors to be responsible for the statutory and constitutional affairs and management of the School.

Details of the Governors who served during the year, and to the date these accounts are approved are included in the Reference and Administrative Details on page 1.

Members' liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

Governors' indemnities

The Academy has purchased insurance to protect Governors and officers from claims arising from negligent acts, errors or omissions occurring whilst on Academy business. The insurance provides cover up to £10,000,000 for Governors' liability on any one occurrence.

Method of recruitment and appointment or election of Governors

The Members may appoint up to 10 Governors. The Members may appoint Staff Governors through such a process as they may determine, provided that the total number of Governors (including the Headteacher) who are employees of the Academy Trust does not exceed one third of the total number of Governors. The LA may appoint the LA Governor. The Headteacher shall be treated for all purposes as being an ex officio Governor. The Parent Governors shall be elected by parents of registered pupils at the Academy. A Parent Governor must be a parent of a pupil at the Academy at the time when he is elected. The Governing Body shall make all necessary arrangements for, and determine all other matters relating to, an election of Parent Governors, including any question of whether a person is a parent of a registered pupil at the Academy. Any election of Parent Governors which is contested shall be held by secret ballot.

The Governors are directors of the charitable company for the purposes of the Companies Act 2006 and Governors for the purposes of charity legislation. The Governors who were in office at 31 August 2025 and served throughout the year are listed on page 1. During the year under review the Governors held 6 meetings.

MAHARISHI SCHOOL TRUST LTD

GOVERNORS' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2025

Policies and procedures adopted for the induction and training of Governors

Company law requires the Governors to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company at the end of the financial year and of its incoming resources and application of resources, including income and expenditure, for the financial year. In preparing financial statements which give a true and fair view, the Governors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The training and induction provided for new Governors will depend on their existing experience. Where necessary, induction will provide information on charity, educational, legal and financial matters. All new Governors will be given a tour of the School, including the chance to meet with staff and students.

All Governors are provided with access to copies of our policies, procedures, minutes, accounts, budgets, plans and other documents that they will need to undertake their role as Governors. As the number of new Governors a year is limited, induction tends to be done informally and is tailored specifically to the individual.

The Governors are responsible for keeping proper accounting records which disclose with reasonable accuracy the financial position of the charitable company and which enable them to ensure that the financial statements comply with the Companies Act 2006.

They are also responsible for safeguarding the assets of the Academy Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Governors confirm that so far as they are aware, there is no relevant audit information of which the Academy Trust's auditors are unaware. They have taken all the steps that they ought to have taken as Governors in order to make themselves aware of any relevant audit information and to establish that the Academy Trust's auditors are aware of that information. The Governors are responsible for the maintenance and integrity of the Academy Trust's website.

Organisational structure

The structure consists of two levels: The Governors and The Senior Managers. The aim of the management structure is to devolve responsibility and encourage involvement in decision making at all levels.

The Governors are responsible for setting general policy, adopting an annual plan and budget, monitoring the School by the use of budgets and making major decisions about the direction of the School, capital expenditure and senior staff appointments.

The next layer is the Senior Managers, these are the Head teacher, two Deputy Heads and the School Business Manager. These managers control the School at an executive level implementing the policies laid down by the Governors and reporting back to them. As a group the Senior Managers are responsible for the authorisation of spending within agreed budgets and the appointment of staff, though appointment boards for posts in the Management Team always contain a Governor.

Risk Management

The governors have assessed the major risks to which the School is exposed, in particular those relating to the specific teaching, provision of facilities and other operational areas of the School, and its finances.

The governors have implemented a number of systems to assess risks that the school faces, especially in the operational areas (e.g. in relation to teaching, child protection, health and safety, data protection, relationships and school trips) and in relation to the control of finance. They have introduced systems, including operational procedures (e.g. vetting of new staff and visitors, security of school grounds) and internal financial controls (see below) in order to minimise risk. Where significant financial risk still remains they have ensured they have adequate insurance cover through the DfE RPA scheme. The School has an effective system of internal financial controls and this is explained in more detail in the following statement.

MAHARISHI SCHOOL TRUST LTD

GOVERNORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2025

Arrangements for setting pay and remuneration of key management personnel

When determining the pay range for key management personnel the board will consider all the permanent responsibilities of the role, any challenges specific to the role and other relevant circumstances including recruitment or retention difficulties.

Maharishi School understands that a fair and transparent policy is needed to establish the pay range at the school mindful of the financial constraints that a school such as Maharishi School with small class sizes faces. The School was previously an independent school and therefore there were no key management personnel transferred to the Free School at the point of conversion whose employment was required to continue under the School Teachers Pay and Conditions Document (STPCD). Although not bound by this requirement, the school is cognisant of and may refer to certain requirements of the STPCD if deemed appropriate.

Maharishi School's pay policy is to uplift existing teachers', deputies' and the headteacher's salaries annually by the percentage determined nationally by the Government for the new academic year.

Statement on the system of internal financial control

As Governors, we acknowledge we have overall responsibility for ensuring that Maharishi School Trust has an effective and appropriate system of control, financial and otherwise. We are also responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the School and enable us to ensure the financial statements comply with the Companies Act. We also acknowledge responsibility for safeguarding the assets of the School and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities and to provide reasonable assurance, that:-

- The School is operating efficiently and effectively;
- Its assets are safeguarded against unauthorised use or disposition;
- The proper records are maintained and financial information used within the Academy or for publication is reliable;
- The School complies with relevant laws and regulations.

The School's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the governing body;
- regular reviews by the Finance Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines;
- delegation of authority and segregation of duties;
- identification and management of risks.

Objectives and activities

Objects and aims

At Maharishi Free School, our vision is to prepare every pupil to reach their full potential through **Consciousness-Based Education (CbE)**. Pupils develop their inner resources via **Transcendental Meditation** and **Word of Wisdom**, emphasizing the 'knower' as well as the 'known' and 'process of knowing'.

Strategic Aims

- Supporting pupils' developing consciousness through regular meditation and adherence to CbE principles.
- Cultivating receptivity by fostering supportive teacher-student relationships.
- Enlivening intelligence and its application by linking inner values with outer values.
- Structuring knowledge in the context of human purpose and connecting all learning to each pupil's self.
- Enlivening, extending and deepening experience by integrating knowledge with experience
- Enlivening and enhancing expression by consolidating learning through the expression of knowledge and skill

MAHARISHI SCHOOL TRUST LTD

GOVERNORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2025

Public benefit

Enrichment, Leadership, and Community Engagement

Maharishi Free School provides pupils with a wide range of **enriching experiences** that complement academic learning:

Creative Expression

- Pupils explore creativity through music and arts. Ofsted noted that "the sound of a guitar and pupils singing softly floats in the air," reflecting the school's commitment to artistic expression.

Sports and Physical Activity

- Primary pupils participate in school sports events, including dodgeball, multisport, and football, fostering teamwork, resilience, and healthy lifestyles.

Student Leadership and Responsibility

- Pupils actively engage in **School Council** and take leadership roles in school initiatives.
- Secondary pupils participate in the **Duke of Edinburgh Award**, developing resilience, leadership, and community service skills.
- Pupils successfully fundraised for playground improvements, showing initiative and civic responsibility.

Community Engagement and Open Days

- The **Termly Open Days** welcomed prospective families to experience our CbE approach.
- Pupils participated in sustainability projects, arts showcases, and science fairs, strengthening community links and confidence.

External Engagement: Visit from Dr Peter Warburton

In 2025, Maharishi Free School was delighted to welcome **Dr Peter Warburton** for a full-day visit to both our primary and secondary sites. Dr Warburton currently heads the **Transcendental Meditation®** organisation in the UK, Bulgaria, UAE, and Zambia.

Dr Warburton worked closely with **Maharishi**, Founder of Transcendental Meditation, for 36 years, and was personally trained to teach courses in **Total Knowledge**. In 2007, Maharishi appointed him **Spiritual Leader of the Spiritual Regeneration Movement of Great Britain**.

During his visit, Dr Warburton toured the primary site and spoke with Years 4–6 pupils, met with secondary staff to share insights and guidance and witnessed the school's unique **Consciousness-Based Education** approach in action.

This visit reinforced the school's commitment to holistic education, personal development, and leadership, while providing pupils and staff the rare opportunity to engage with an internationally recognised figure in Transcendental Meditation and Total Knowledge.

MAHARISHI SCHOOL TRUST LTD

GOVERNORS' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2025

Strategic report

Achievements and performance

Ofsted Inspection – July 2025

Ofsted rated the school as **Good** in all areas:

- Quality of Education
- Behaviour and Attitudes
- Personal Development
- Leadership and Management
- Early Years Provision

Inspectors highlighted pupils' calm focus and positive attitudes, and on the focus on wellbeing and readiness to learn.

Primary Phase Outcomes (Years 1-6)

Key Stage 2 (Year 6)

- **Progress from KS1:** Reading +2.17; Writing +0.25; Maths +1.91
- **Disadvantaged pupils:** Reading +10.22; Writing -2.01; Maths +3.19
- **Attainment vs national averages:**

Subject	School % at Expected Standard	National Average (2024)
Reading	60%	75%
Writing	60%	72%
Maths	65%	74%
Combined R/W/M	55%	62%

All pupils met or exceeded their KS1 predictions in writing and maths; 82% did so in reading.

Years 5–1 Highlights

- **Year 5:** Reading 77%, Writing 95%, maths 94% EQ/GT KS1 predictions. Weekly targeted interventions supported progress.
- **Year 4:** Reading 89%, Writing 100%, maths 77% EQ/GT KS1 predictions. Attainment aligned with CAT data.
- **Year 3:** Reading 81%, Writing 82%, maths 88% EQ/GT KS1 predictions.
- **Year 2:** Reading 89%, Writing 78%, maths 89% EQ/GT EYFS outcomes; daily sentence-level writing practice and Mastering Number programme supported learning.
- **Year 1:** Reading 89%, Writing 74%, maths 84% EQ/GT EYFS predictions; Mastering Number programme implemented daily.

MAHARISHI SCHOOL TRUST LTD

GOVERNORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2025

Secondary Phase Outcomes (Year 11)

The Year 11 cohort was academically able and cohesive, with many pupils having attended since Reception.

Overall outcomes:

- Attainment 8: 54 (national 46)
- Grade 5+ English & Maths: 55% (national 46%)
- Grade 4+ English & Maths: 80% (national 61%)
- EBacc entry: 90% (national 40%)
- EBacc Grade 5+: 40% (national 16%)
- EBacc APS: 5.32 (national 4.07)
- Estimated Progress 8: -0.3

Outcomes exceeded national averages in all subjects except Art and Spanish.

Key performance indicators

During 2024–25, Maharishi Free School commissioned an internal scrutiny review to assess financial and non-financial controls. The review highlighted a number of strengths, including:

- A strong ethical culture demonstrated by senior leaders and Governors
- Clear documentation of fraud prevention responsibilities
- Realistic budgeting based on pupil numbers and staffing costs
- Timely implementation of recommendations from prior audits
- Robust risk management arrangements, insurance cover, and Data Protection processes

All previously identified areas for development have now been successfully addressed, including:

- Finalising a Scheme of Delegation and updating committee Terms of Reference
- Implementing training on anti-fraud, whistleblowing, and gifts & hospitality policies
- Updating the Business Continuity Plan, Risk Register, and Data Protection policies
- Ensuring evidence of staff Data Protection training and creating an Asset Information Register

The overall opinion from the internal scrutiny review was Satisfactory, reflecting that the school has effective controls in place. Governors are confident that the actions taken during 2024–25 have strengthened governance, risk management, and financial oversight.

During 2024–25, Maharishi Free School engaged an School Resource Management Adviser (SRMA) to provide independent assurance on financial management and governance. The SRMA confirmed that the school is financially secure, with robust budgeting, monitoring, and risk management processes. Minor recommendations were made regarding updating records and exploring additional grant opportunities, with no immediate costed savings required. The report highlighted the school's efficient staffing, high-quality financial reporting, and the alignment of financial planning with long-term development goals. Governors welcomed the SRMA's findings as further evidence of effective governance and oversight.

Going concern

After making appropriate enquiries, the board of governors has a reasonable expectation that the academy trust has adequate resources to continue in operational existence for the foreseeable future. For this reason, the board of governors continues to adopt the going concern basis in preparing the accounts. Further details regarding the adoption of the going concern basis can be found in the statement of accounting policies.

MAHARISHI SCHOOL TRUST LTD

GOVERNORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2025

Financial review

The school Finance Committee regularly reviews the Trust's financial status, including risks and potential forecast pressures and work towards ending each year with a balanced budget in order to maintain sufficient reserves. All the necessary policies and procedures are in place to protect the school from potential risks and are also subject to review.

The year in question is the twelfth year in which the school has participated in the Local Government Pension Scheme, from which the Actuaries report indicates a scheme surplus of £394,000 (2024: £130,000). Given the current uncertain economic climate, the trustees consider that it would be imprudent to reflect this surplus in the Financial Statements.

Financial position

The School held fund balances at 31 August 2025 of £1,085,127,963,190 (2024 - £963,190) comprising £919,995 (2024 - £814,380) of restricted funds and £165,132 (2024 - £148,810) of unrestricted general funds.

Reserves policy

The governors review the reserve levels of the School annually. This review encompasses the nature of income and expenditure streams, the need to match income with commitments and the nature of reserves. The reason for this is to provide sufficient working capital to cover delays between spending and receipt of grants and to provide a cushion to deal with unexpected emergencies such as urgent maintenance.

Investment policy

During the financial year Maharishi School Trust Ltd had a cash balance of £350,009, and the governing body has renewed the placing of a sum in a deposit account to maximise income from its balances. The objective of the academy is to ensure that sufficient funds are available at short or no notice to meet foreseeable requirements, while earning an acceptable rate of return without undue risk.

Principal risks and uncertainties

The Governors have assessed the major risks to which the School is exposed, in particular those relating to the specific teaching, provision of facilities and other operational areas of the School, and its finances.

The Governors have implemented a number of systems to assess risks that the school faces, especially in the operational areas (e.g. in relation to teaching, child protection, health and safety, data protection, relationships and school trips) and in relation to the control of finance. They have introduced systems, including operational procedures (e.g. vetting of new staff and visitors, security of school grounds) and internal financial controls (see below) in order to minimise risk. Where significant financial risk still remains they have ensured they have adequate insurance cover through the DfE RPA scheme. The School has an effective system of internal financial controls and this is explained in more detail in the following statement.

During 2024–25, Maharishi Free School commissioned an internal scrutiny review to assess financial and nonfinancial controls. The review highlighted a number of strengths, including:

- A strong ethical culture demonstrated by senior leaders and Governors
- Clear documentation of fraud prevention responsibilities
- Realistic budgeting based on pupil numbers and staffing costs
- Timely implementation of recommendations from prior audits
- Robust risk management arrangements, insurance cover, and Data Protection processes

All previously identified areas for development have now been successfully addressed, including:

- Finalising a Scheme of Delegation and updating committee Terms of Reference
- Implementing training on anti-fraud, whistleblowing, and gifts & hospitality policies
- Updating the Business Continuity Plan, Risk Register, and Data Protection policies
- Ensuring evidence of staff Data Protection training and creating an Asset Information Register

The overall opinion from the internal scrutiny review was Satisfactory, reflecting that the school has effective controls in place. Governors are confident that the actions taken during 2024–25 have strengthened governance, risk management, and financial oversight.

MAHARISHI SCHOOL TRUST LTD

GOVERNORS' REPORT (CONTINUED) **FOR THE YEAR ENDED 31 AUGUST 2025**

Headteacher Risks and Uncertainties

Outlined below are the Headteacher risks that may affect the Maharishi School Trust.

- Maharishi School Trust has considerable reliance on government funding through the DFE. In 2023/24, approximately 96% (the same as 2022/23) of the School's income was publicly funded and this

This risk can be mitigated in a number of ways:

- By closely monitoring the evolving education agenda and the changes outlined by the Department for Education
- By closely monitoring the School's cost base and ensure value for money is obtained across all expenditures.
- By working to maintain and increase pupil numbers to the maximum possible roll in order to receive the maximum achievable ESFA funding.

Fundraising

The academy trust does not use any external fundraisers. All fundraising undertaken during the year was monitored by the Governors.

Plans for future periods

Looking ahead to 2025–26, Governors will focus on continuing to enhance the school's provision, wellbeing, and engagement across all phases:

MAHARISHI SCHOOL TRUST LTD

GOVERNORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2025

Academic Priorities

- Improving outcomes in reading across primary and secondary phases, in line with Ofsted recommendations.
- Expanding and enhancing the enrichment offer, ensuring all pupils experience a broad and balanced range of cultural, artistic, and physical opportunities.
- Continuing to improve attendance levels across all year groups to support attainment and engagement.

Facilities and Infrastructure

- Completing the Urgent Fire Safety and Statutory Compliance Works, funded through CIF and the Edna Linell Charitable Trust.
- Investing in infrastructure improvements to create modern, sustainable, and safe learning environments across both sites.

Staff Wellbeing and Development

- Strengthening the school's wellbeing provision with a structured, tiered approach overseen by the wellbeing lead.
- Introducing half-termly wellbeing team meetings to share updates, discuss cases, and maintain a joined-up approach.
- Continuing to invest in professional development and support to retain and attract high-quality teaching and support staff.

Community, Partnerships, and External Engagement

- Expanding the school community through initiatives such as the PTFA WhatsApp Community, fostering connection, support, and a culture of reciprocity among staff, parents, and pupils.
- Launching seasonal celebrations and school-wide events that bring together the school community for cultural, social, and creative experiences.
- Strengthening links with local and national partners to provide pupils with unique learning and development opportunities.

Student Development and Enrichment

- Implementing a cultural capital mapping project to ensure that every pupil experiences a range of key learning, creative, and enrichment opportunities across both primary and secondary phases.
- Tracking and monitoring enrichment experiences to embed cross-curricular links and ensure continuity and progression.

Governance, Compliance, and IT Security

- Maintaining strong oversight of information technology and cyber security, including policy review, staff training, access controls, and risk management in line with DfE standards.
- Strengthening estates management and business continuity planning to ensure resilience and the ongoing delivery of high-quality education in all circumstances.

Funds held as custodian trustee on behalf of others

The Academy and its Governors do not act as the custodian trustees for any other Charity.

MAHARISHI SCHOOL TRUST LTD

GOVERNORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2025

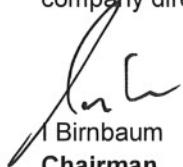

Auditor

As set out in the Academies Trust Handbook, Academy trusts should re-tender their audit contract at least every five years. The academy trust procured the services of Cooper Parry through a Department for Education (DfE) framework.

Insofar as the Governors are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware.
- the Governors have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

The Governors' report, incorporating a strategic report, was approved by order of the Board of Governors, as the company directors, on 11 December 2025 and signed on its behalf by:

I. Birnbaum
Chairman

MAHARISHI SCHOOL TRUST LTD

GOVERNANCE STATEMENT

FOR THE YEAR ENDED 31 AUGUST 2025

Scope of responsibility

As Governors, we acknowledge we have overall responsibility for ensuring that Maharishi School Trust Ltd has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The Board of Governors has delegated the day-to-day responsibility to the principal, as accounting officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Maharishi School Trust Ltd and the Secretary of State for Education. The accounting officer is also responsible for reporting to the Board of Governors any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Governors' Report and in the Statement of Governors' Responsibilities. The Board of Governors has formally met 6 times during the year. Attendance during the year at meetings of the Board of Governors was as follows:

Governors	Meetings attended	Out of possible
I Birnbaum	6	6
L J Edwards	6	6
A O'Neill	6	6
C L McCloskey	2	6
C K Latham	6	6
C Winteringham	6	6
G Evans	2	6
J R H Lees	6	6
L Gaskell	5	6
L V Walters	6	6
M Ingram	5	6
R F Hobson (Resigned 24 January 2025)	3	4
R W Buswell	5	6
R Marriott	6	6
L E J Andrews (Resigned 8 November 2024)	0	0
N W T Mercer (Appointed 14 February 2025)	5	5
D McArthur-Greenall (Appointed 12 December 2024)	3	3

The main responsibilities of the board are as follows;

- Regular reviews by the finance and general purposes committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- Setting targets to measure financial and other performance;
- Clearly defined purchasing (asset purchase of capital investment) guidelines;
- Delegation of authority and segregation of duties;
- Identification and management risks.

Conflicts of interest

All Members, Governors and staff with purchasing authority are required to declare their interests annually by completing the Declaration of Interest proforma. This is reviewed by the academy and held by the Trust.

The declaration of interest is updated on an annual basis or when changes occur.

MAHARISHI SCHOOL TRUST LTD

GOVERNANCE STATEMENT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2025

Members, Trustees, Governors and Staff are advised that if not sure what to declare, or whether / when any declaration needs to be updated, that they should err on the side of caution. The Chair of the Board of Governors provides advice and it is their responsibility to ensure that professional advice (ie, from the auditors) is sought where necessary.

Interests are recorded on the Trust's Register of Interests, which is maintained by the Clerk. The register is available on request.

At each meeting, the clerk asks for any conflicts of interest to be declared.

Meetings

The information on governance included here supplements that described in the Governors' Report and in the Statement of Governors' Responsibilities. The Board of Governors has formally met 6 times during the year. So that the board are fully aware of the financial position a Trustee has been invited to each Finance Planning meeting. All Governors are sent a monthly report so that they are up to date with the current financial position and LGB minutes are reviewed to ensure the finance put into the place to deliver the priorities in the School Development plan are being utilised effectively.

Governance reviews

We have had 3 reviews made by external agencies throughout the year. These are Strategic Fraud, Anti-Bribery and Corruption, Risk Management and Data Protection. The reports were distributed to the Governors and actions were put into place to address any outstanding issues.

Actions to be put into place were:

Fraud, Anti-Bribery and Corruption

- a) All staff to be reminded of the requirement for the finance team to witness any requests for change of bank details.
- b) Historical differences in the schools financial software to be resolved to enable accurate reflection of the schools current position in the management accounts.
- c) Guidance related to the new Gifts & Hospitality policy to be circulated at the earliest opportunity.
- d) Educational whistleblowing policy to be implemented.
- e) Training requirement identified to be implemented and included in induction process for staff and Governors.

Risk Management

- a) Number of risks identified to be reduced to make for a more manageable document, including the removal of overlapping risks.
- b) Business continuity plan to be updated and circulated to relevant staff.
- c) Governors to be reminded of the terms of reference for each committee.

Data Protection

- a) Data protection policies to be approved by Governors at the next meeting and circulated to all staff.
- b) Business Continuity plan to be updated to include data protection and cyber security measures.
- c) An asset information register should be produced.
- d) Business manager to ensure all new staff receive appropriate data protection training within one month of their start date.

MAHARISHI SCHOOL TRUST LTD

GOVERNANCE STATEMENT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2025

Finance, Audit and Risk subcommittee

The Finance, Audit and Risk committee is a sub-committee of the main Board of Governors. Its purpose is to set and monitor the budget and provide assurance to the Trust Board that the systems and practices within the Trust adhere to the Academy Trust handbook.

Attendance at meetings in the year was as follows:

Governors	Meetings attended	Out of possible
I Birnbaum	6	6
L J Edwards	6	6
A O'Neill	5	6
R W Buswell	6	6
R Marriott		

Review of value for money

As accounting officer, the principal has responsibility for ensuring that the academy trust delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes, as well as estates safety and management, achieved in return for the taxpayer resources received.

The accounting officer considers how the academy trust's use of its resources has provided good value for money during each academic year, and reports to the Board of Governors where value for money can be improved, including the use of benchmarking data or by using a framework where appropriate. The accounting officer for the academy trust has delivered improved value for money during the year by:

- Random sampling of the procurements made ensures that we are getting the highest quality for the best possible price.
- Benchmarking against similar trust is used to verify decision making so that value for money is achieved.
- Consultation for best practices allows us to draw upon the experience of professionals to engage services within schools that are high quality. For example, we have renegotiated contracts so that we have best value for money from our energy suppliers.

The purpose of the system of internal control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of academy trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Maharishi School Trust Ltd for the period 1 September 2024 to 31 August 2025 and up to the date of approval of the annual report and financial statements.

Capacity to handle risk

The Board of Governors has reviewed the key risks to which the academy trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Board of Governors is of the view that there is a formal ongoing process for identifying, evaluating and managing the academy trust's significant risks that has been in place for the period 1 September 2024 to 31 August 2025 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the Board of Governors.

MAHARISHI SCHOOL TRUST LTD

GOVERNANCE STATEMENT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2025

The risk and control framework

The academy trust's system of internal control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Board of Governors;
- regular reviews by the finance and general purposes committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines;
- identification and management of risks.

The board of Governors has considered the need for a specific internal audit function and has decided to appoint a new Responsible Officer from School Business Services, following the appointment of Cooper Parry as external auditors, who heads up their internal audit services function for the education sector.

The internal auditor's role includes giving advice on financial and other matters and performing a range of checks on the academy trust's financial and other systems. In particular, the checks carried out in the current period included:

- Fraud, Anti-Bribery & Corruption
- Risk Management
- Data Protection

The internal auditors delivered their schedule of work as planned, provided details of any significant control issues arising as a result of the internal auditors work and all remedial work was taken to rectify the issues.

For the period we are reporting for the auditors made three reports to the board of Governors, through the audit and risk committee on the matters noted above.

Review of effectiveness

As accounting officer, the principal has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

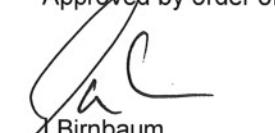

- the work of the internal auditor
- the financial management and governance self-assessment process or the school resource management self-assessment tool;
- the work of the executive managers within the academy trust who have responsibility for the development and maintenance of the internal control framework;
- the work of the external auditor

The accounting officer has been advised of the implications of the result of their review of the system of internal control by the audit and risk committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

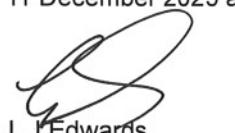

Conclusion

Based on the advice of the audit and risk committee and the accounting officer, the Board of Governors is of the opinion that the academy trust has an adequate and effective framework for governance, risk management and control.

Approved by order of the Board of Governors on 11 December 2025 and signed on its behalf by:

I Birnbaum

MAHARISHI SCHOOL TRUST LTD

STATEMENT OF REGULARITY, PROPRIETY AND COMPLIANCE

FOR THE YEAR ENDED 31 AUGUST 2025

As accounting officer of Maharishi School Trust Ltd, I confirm that I have had due regard to the framework of authorities governing regularity, propriety and compliance, including the trust's funding agreement with the Department for Education (DfE), and the requirements of the Academy Trust Handbook, including responsibilities for estates safety and management. I have also considered my responsibility to notify the academy trust Board of Governors and DfE of material irregularity, impropriety and non-compliance with terms and conditions of all funding, including for estates safety and management.

I confirm that I and the Board of Governors are able to identify any material irregular or improper use of all funds by the academy trust, or material non-compliance with the framework of authorities.

I confirm that no instances of material irregularity, impropriety or non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the Board of Governors and DfE.

L J Edwards
Accounting Officer

11 December 2025

MAHARISHI SCHOOL TRUST LTD

STATEMENT OF GOVERNORS' RESPONSIBILITIES FOR THE YEAR ENDED 31 AUGUST 2025

The Governors (who act as trustees for Maharishi School Trust Ltd and are also the directors of Maharishi School Trust Ltd for the purposes of company law) are responsible for preparing the Governors' report and the financial statements in accordance with the Academies Accounts Direction 2024 to 2025 published by the Department for Education, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Governors to prepare financial statements for each financial year. Under company law, the Governors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period.

In preparing these financial statements, the Governors are required to:

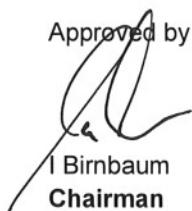

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 and the Academies Accounts Direction 2024 to 2025;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Governors are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Governors are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring that grants received from the DfE have been applied for the purposes intended.

The Governors are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Approved by order of the members of the Board of Governors on 11 December 2025 and signed on its behalf by:

I Birnbaum
Chairman

MAHARISHI SCHOOL TRUST LTD

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MAHARISHI SCHOOL TRUST LTD

FOR THE YEAR ENDED 31 AUGUST 2025

Opinion

We have audited the financial statements of Maharishi School Trust Ltd for the year ended 31 August 2025 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice), the Charities SORP 2019 and the Academies Accounts Direction 2024 to 2025 issued by the Department for Education.

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2025 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006; and
- have been prepared in accordance with the Charities SORP 2019 and the Academies Accounts Direction 2024 to 2025.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the financial statements' section of our report. We are independent of the academy trust in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Governors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the academy trust's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Governors with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The Governors are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

MAHARISHI SCHOOL TRUST LTD

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MAHARISHI SCHOOL TRUST LTD (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2025

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Governors' report including the incorporated strategic report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Governors' report including the incorporated strategic report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the academy trust and its environment obtained in the course of the audit, we have not identified material misstatements in the Governors' report, including the incorporated strategic report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Governors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Governors

As explained more fully in the statement of Governors' responsibilities, the Governors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Governors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the Governors are responsible for assessing the academy trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Governors either intend to liquidate the charitable company, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

Extent to which the audit was considered capable of detecting irregularities including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

MAHARISHI SCHOOL TRUST LTD

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MAHARISHI SCHOOL TRUST LTD (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2025

Extent to which the audit was considered capable of detecting irregularities including fraud

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud, we considered the following:

- The nature of the industry and sector, control environment and business performance;
- Any matters we identified having obtained and reviewed the company's documentation of their policies and procedures relating to:
- Identifying, evaluating and complying with laws and regulations and whether they were aware of any instances of non-compliance;
- Detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected or alleged fraud;
- The internal controls established to mitigate risks of fraud or non-compliance with laws and regulations; and
- The matters discussed among the audit engagement team and involving relevant internal specialists, including tax, and industry specialists regarding how and where fraud might occur in the financial statements and any potential indicators of fraud.

As a result of these procedures, we considered the opportunities and incentives that may exist within the organisation for fraud and identified the greatest potential for fraud in the following areas: recognition of income and misappropriation of funds. In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override.

We also obtained an understanding of the legal and regulatory frameworks the academy operates in, focussing on provisions of those laws and regulations that had a direct effect on the determination of material amounts and disclosures in the financial statements. The key laws and regulations we considered in this context included the UK Companies Act and Academies Accounts Direction.

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which may be fundamental to the academy's ability to operate or to avoid a material penalty.

Our procedures to respond to risks identified included the following:

- Reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- Enquiring of management and those charged with governance concerning actual and potential litigation claims;
- In addressing the risk of fraud through inappropriate recording of income, we review the existence and completeness of DfE income and reconcile all other material income streams to third party evidence;
- We carry out a detailed review of deferred income, including a review of amounts released to income in the year.
- We review a sample of expenditure to ensure it has been appropriately authorised and that tender process have been followed where applicable;
- We carry out a review of the register of interests and minutes to ensure that all related parties have been disclosed adequately;
- In assessing the risk of fraud through management override of controls, testing the appropriateness of journal entries and assessing whether judgements made in making accounting estimates are indicative of potential bias.

FOR THE YEAR ENDED 31 AUGUST 2025

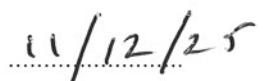

A further description of our responsibilities is available on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

MAHARISHI SCHOOL TRUST LTD

INDEPENDENT REPORTING ACCOUNTANT'S REPORT ON REGULARITY TO MAHARISHI SCHOOL TRUST LTD AND THE SECRETARY OF STATE FOR EDUCATION FOR THE YEAR ENDED 31 AUGUST 2025

In accordance with the terms of our engagement letter dated 18 July 2025 and further to the requirements of the Department for Education (DfE) as included in the extant Framework and Guide for External Auditors and Reporting Accountants of Academy Trusts, we have carried out an engagement to obtain limited assurance about whether anything has come to our attention that would suggest, in all material respects, the expenditure disbursed and income received by Maharishi School Trust Ltd during the period 1 September 2024 to 31 August 2025 have not been applied to the purposes intended by Parliament and that the financial transactions do not conform to the authorities which govern them.

This report is made solely to Maharishi School Trust Ltd and the Secretary of State for Education in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Maharishi School Trust Ltd and the Secretary of State for Education those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Maharishi School Trust Ltd and the Secretary of State for Education, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of the accounting officer of Maharishi School Trust Ltd and the reporting accountant

The accounting officer is responsible, under the requirements of Maharishi School Trust Ltd's funding agreement with the Secretary of State for Education and the Academy Trust Handbook, extant from 1 September 2024, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance, and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the extant Framework and Guide for External Auditors and Reporting Accountants of Academy Trusts. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the period 1 September 2024 to 31 August 2025 have not been applied for the purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by the DfE, which requires a limited assurance engagement as set out in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy trust's income and expenditure.

In line with the Framework and guide for External auditors and Reporting Accountants of academy Trusts issued March 2025, we have not performed any additional procedures regarding the academy trust's compliance with safeguarding, health and safety and estates management.

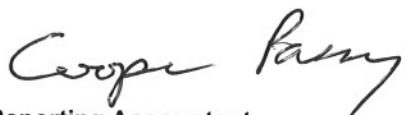

MAHARISHI SCHOOL TRUST LTD

INDEPENDENT REPORTING ACCOUNTANT'S REPORT ON REGULARITY TO MAHARISHI SCHOOL TRUST LTD AND THE SECRETARY OF STATE FOR EDUCATION (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2025

Conclusion

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the period 1 September 2024 to 31 August 2025 has not been applied for the purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

MAHARISHI SCHOOL TRUST LTD

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2025

1 Accounting policies

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation

The financial statements of the academy trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2024 to 2025 issued by the Department for Education, the Charities Act 2011 and the Companies Act 2006.

1.2 Going concern

The Governors assess whether the use of going concern is appropriate, ie whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the charitable company to continue as a going concern. The Governors make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the academy trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the academy trust's ability to continue as a going concern. Thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Income

All incoming resources are recognised when the academy trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

Grants

Grants are included in the statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the statement of financial activities in the period for which it is receivable, and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the balance sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

Sponsorship income

Sponsorship income provided to the academy trust which amounts to a donation is recognised in the statement of financial activities in the period in which it is receivable (where there are no performance-related conditions), where the receipt is probable and it can be measured reliably.

Donations

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

Other income

Other income, including the hire of facilities, is recognised in the period it is receivable and to the extent the academy trust has provided the goods or services.

MAHARISHI SCHOOL TRUST LTD

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2025

1 Accounting policies

(Continued)

Donated goods, facilities and services

Goods donated for resale are included at fair value, being the expected proceeds from sale less the expected costs of sale. If it is practical to assess the fair value at receipt, it is recognised in stock and 'Income from other trading activities'. Upon sale, the value of the stock is charged against 'Income from other trading activities' and the proceeds are recognised as 'Income from other trading activities'. Where it is impractical to fair value the items due to the volume of low value items they are not recognised in the financial statements until they are sold. This income is recognised within 'Income from other trading activities'.

Donated fixed assets

Donated fixed assets are measured at fair value unless it is impractical to measure this reliably, in which case the cost of the item to the donor is used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the academy trust's accounting policies.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

Expenditure on raising funds

This includes all expenditure incurred by the academy trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Charitable activities

These are costs incurred on the academy trust's educational operations, including support costs and costs relating to the governance of the academy trust apportioned to charitable activities.

All resources expended are inclusive of irrecoverable VAT.

1.5 Tangible fixed assets and depreciation

Assets costing £1,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the balance sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding that require the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the statement of financial activities and carried forward in the balance sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the statement of financial activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

MAHARISHI SCHOOL TRUST LTD

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2025

1 Accounting policies

(Continued)

Depreciation is provided on all tangible fixed assets other than freehold land, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

Freehold Land and Buildings	1-25% straight line
Fixture & Equipment	25% straight line
Computer equipment	33% straight line

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the statement of financial activities.

1.6 Liabilities

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the academy trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

1.7 Leased assets

Rentals under operating leases are charged on a straight-line basis over the lease term.

1.8 Financial instruments

The academy trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the academy trust and their measurement basis are as follows.

Financial assets

Trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost. Prepayments are not financial instruments.

Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities

Trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost. Taxation and social security are not included in the financial instruments disclosure definition.

Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

1.9 Taxation

The academy trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the academy trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1.10 Pensions benefits

Retirement benefits to employees of the academy trust are provided by the Teachers' Pension Scheme ('TPS') and the Local Government Pension Scheme ('LGPS'). These are defined benefit schemes and the assets are held separately from those of the academy trust.

MAHARISHI SCHOOL TRUST LTD

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2025

1 Accounting policies

(Continued)

The TPS is an unfunded scheme and contributions are calculated to spread the cost of pensions over employees' working lives with the academy trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary based on quadrennial valuations using a prospective unit credit method. The TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions are recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the academy trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high-quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to net income or expenditure are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the statement of financial activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses. Actuarial gains and losses are recognised immediately in other recognised gains and losses.

1.11 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the academy trust at the discretion of the Governors.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education.

2 Critical accounting estimates and areas of judgement

Accounting estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions

The academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

Local Government Pension Scheme Liability:

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 18, will impact on the carrying amount of the pension liability. Furthermore, a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2022 has been used by the actuary in valuing the pensions liability at 31 August 2025. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

MAHARISHI SCHOOL TRUST LTD

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2025

2 Critical accounting estimates and areas of judgement

(Continued)

FRS 102 section 28.22 allows an entity to recognise a surplus within the Local Government Pension Scheme "only to the extent it is able to recover the surplus either through reduced contributions in the future or through refunds from the plan." The Academy Trust has considered it unlikely that a surplus being recognised would ever result in a repayment or reduction in contributions, given that such a surplus is probably only temporary.

Therefore, although the actuarial report for the year ended 31 August 2025 indicates a defined benefit asset of £394,000 (2024: £130,000) exists at the year end date, the actuarial gain has been restricted by this amount to leave a break even position and neither an asset or liability has been recognised.

The ultimate responsibility for setting the assumptions is that of the Academy Trust, as the employer, however each year the LGPS actuary proposes a standard set of assumptions as part of the valuation exercise, using their expert opinion, and which comply with the accounting requirements. The Academy Trust has, in practice with most employers, adopted the recommended actuarial assumptions following further consultation with its auditors to ensure these assumptions are reasonable and in line with those adopted by other academy trusts.

The key assumption is the discount rate, which is the estimated rate of long-term investment returns. This year the discount rate of 6.2% is higher than the rate of 5.00% used in 2024. Since a higher discount rate means assets will grow rapidly in the future, this results in lower current liabilities. This is the key driver for the increase in the carried LGPS asset from £130k to £394k during the year.

Useful economic lives of tangible assets

The annual depreciation charge for tangible fixed assets is sensitive to changes in the estimated useful economic lives and residual values of the assets. The useful economic lives and residual values are re-assessed annually. They are amended when necessary to reflect current estimates, based on technological advancement, future investments, economic utilisation and the physical condition of the assets.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2025

9 Governors' remuneration and expenses

One or more of the Governors has been paid remuneration or has received other benefits from an employment with the academy trust. The principal and other staff Governors only receive remuneration in respect of services they provide undertaking the roles of principal and staff members under their contracts of employment, and not in respect of their services as Governors.

The value of Governors' remuneration and other benefits was as follows:

L Edwards (Principal and Governor):

Remuneration £60,000- £65,000 (2024: £60,000-£65,000)

Employer's pension contributions £15,000-£20,000

L Walters (Deputy Head)

Remuneration £50,000-£55,000 (2024:£45,000-£50,000)

Employer's pension contributions £10,000-£15,000

L Gaskell (Deputy Head)

Remuneration £50,000-£55,000 (2024:£40,000-£45,000)

Employer's pension contributions £10,000-£15,000

M Ingram (Consciousness based education lead)

Remuneration £30,000-£35,000 (2024:£25,000-£30,000)

Employer's pension contributions £5,000-£10,000

A O'Neil (Staff Governor)

Remuneration £30,000-£35,000 (2024:£25,000-£30,000)

Employer's pension contributions £5,000-£10,000

N Mercer (Staff Governor)

Remuneration £Nil-£5,000 (2024:£Nil)

Employer's pension contributions £Nil-£5,000

Other related party transactions involving the Governors are set out within the related parties note.

There were no expenses reimbursed to Governors within the year.

10 Staff

Staff costs and employee benefits

Staff costs during the year were:

	2025	2024
	£	£
Wages and salaries	1,012,297	955,787
Social security costs	95,911	74,875
Pension costs	232,526	215,647
Staff costs - employees	1,340,734	1,246,309
Agency staff costs	52,426	35,136
Staff development and other staff costs	1,393,160	1,281,445
	11,270	19,475
Total staff expenditure	1,404,430	1,300,920

10 Staff

(Continued)

Staff numbers

The average number of persons employed by the academy trust during the year was as follows:

	2025 Number	2024 Number
Teachers	13	14
Administration and support	15	17
Management	4	3
	—	—
	32	34
	==	==

Higher paid staff

The number of employees whose employee benefits (excluding employer pension costs and employer national insurance contributions) exceeded £60,000 was:

	2025 Number	2024 Number
£60,001 - £70,000	1	1
	==	==

Key management personnel

The key management personnel of the academy trust comprise the Governors and the senior management team as listed on page 1. The total amount of key management personnel benefits (including employer pension contributions and employer national insurance contributions) received by key management personnel for their services to the academy trust was £398,884 (2024: £345,253).

11 Governors' and officers' insurance

The academy trust has opted into the department for Education's risk protection arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects Governors and officers from claims arising from negligent acts, errors or omissions occurring whilst on Academy business, and provided cover up to £10,000,000. It is not possible to quantify the Governors and officers indemnity element from the overall cost of the RPA scheme.

16 Funds

(Continued)

The specific purposes for which the funds are to be applied are as follows:

Restricted general funds are those resources that have been designated by the grant provider in meeting the objectives of the academy.

Restricted fixed asset funds are those funds relating to the long term assets of the academy used in delivering the objectives of the academy.

Unrestricted funds are those which the Governing Body may use in the pursuance of the academy's objectives and are expendable at the discretion of the Governors.

Transfer of funds from General Annual Grant restricted general funds to restricted fixed asset funds are to fund assets for which no capital grant was received.

Under the funding agreement with the Secretary of State, the academy trust was not subject to a limit on the amount of GAG that it could carry forward at 31 August 2025.

Comparative information in respect of the preceding period is as follows:

18 Pension and similar obligations

The academy trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Lancashire County Pension Fund. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2020, and that of the LGPS related to the period ended 31 March 2022.

Contributions amounting to £26,570 were payable to the schemes at 31 August 2025 (2024: £25,848) and are included within creditors.

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for teachers in academy trusts. All teachers have the option to opt out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary. These contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to ensure scheme costs are recognised and managed appropriately and the review specifies the level of future contributions.

(Continued)

Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2020. The valuation report was published by the Department for Education on 27 October 2023, with the SCAPE rate, set by HMT, applying a notional investment return based on 1.7% above the rate of CPI. The key elements of the valuation outcome are:

- Employer contribution rates set at 28.68% of pensionable pay (including a 0.08% administration levy). This is an increase of 5% in employer contributions and the cost control result is such that no change in member benefits is needed.
- Total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £262,000 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £222,200 million, giving a notional past service deficit of £39,800 million.

The result of this valuation will be implemented from 1 April 2024. The next valuation result is due to be implemented from 1 April 2027.

The employer's pension costs paid to the TPS in the period amounted to £146,502 (2024: £109,204).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The academy trust is unable to identify its share of the underlying assets and liabilities of the plan. Accordingly, the academy trust has taken advantage of the exemption in FRS 102 and has accounted for its contributions to the scheme as if it were a defined contribution scheme. The academy trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contributions are as noted below. The agreed contribution rates for future years are 20.7% for employers potentially reducing to 15.6% and 5.5 - 12.5% for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013 and on 21 July 2022, the Department for Education reaffirmed its commitment to the guarantee, with a parliamentary minute published on GOV.UK.

Total contributions made	2025	2024
	£	£
Employer's contributions	76,000	67,000
Employees' contributions	21,000	19,000
<hr/> Total contributions	<hr/> 97,000	<hr/> 86,000

18 Pension and similar obligations (Continued)

Principal actuarial assumptions	2025	2024
	%	%
Rate of increase in salaries	4	4.1
Rate of increase for pensions in payment/inflation	2.6	2.7
Discount rate for scheme liabilities	6.2	5
Inflation assumption (CPI)	2.5	2.6

The current mortality assumptions include sufficient allowance for future improvements in mortality rates. The assumed life expectations on retirement age 65 are:

	2025	2024
	Years	Years
Retiring today		
- Males	21	22.2
- Females	23.5	25.2
Retiring in 20 years		
- Males	22.2	21
- Females	25.3	23.5

Sensitivity analysis

Scheme liabilities would have been affected by changes in assumptions as follows:

Defined benefit pension scheme net asset	2025	2024
	£	£
Scheme assets	1,290,000	1,140,000
Scheme obligations	(896,000)	(1,010,000)
Net asset	394,000	130,000
Restriction on scheme surplus	(394,000)	(130,000)
Total liability recognised	-	-

22 Related party transactions

Owing to the nature of the academy trust and the composition of the Board of Governors being drawn from local public and private sector organisations, transactions may take place with organisations in which the Governors have an interest. All transactions involving such organisations are conducted in accordance with the requirements of the Academies Financial Handbook 2025, including notifying DfE of all transactions made on or after 1 April 2019 and obtaining their approval where required, and in accordance with the academy trust's financial regulations and normal procurement procedures relating to connected and related party transactions. The following related party transactions took place in the financial period.

Maharishi Dome - A number of Maharishi School Trust Governors are members of Maharishi Dome.

- The trust made contributions totalling £2,180 (2024: £2,717) in relation to hire of the dome for meditation sessions for the high school pupils.

Maharishi Foundation - A number of Maharishi School Trust Governors are members of Maharishi Foundation.

- The trust made contributions totalling £5,800 in relation to CBE fees.
- The trust made contributions totalling £14,420 to the foundation for various reasons.

23 Members' liability

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he or she is a member, or within one year after he or she ceases to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before he or she ceases to be a member.
