

School Results

Below is an analysis of the 2022 results for GCSE and KS2. Whilst we are incredibly proud of our pupils' efforts and their results, here at Maharishi School, success is measured by more than just academic results. We want all of our graduates to leave us with a heightened sense of self-confidence as they enter the world beyond Maharishi School; a level of social conscience that reflects our motto 'The World is my Family'; and, most of all, a sense of fulfillment.

GCSE Results 2022

| Attainment 8 | |
|--|---------------|
| <i>Attainment 8 shows the average academic performance of a secondary school. It is calculated by adding together pupils' highest scores across eight government approved school subjects.</i> | |
| School 2022 | National 2022 |
| 52.6 | 48.7 |

| Progress 8 | |
|---|---------------|
| <i>Progress results are calculated for a school based on a specific set of pupils. A school may have been equally effective, but have performed differently, with a different set of pupils; and some pupils may achieve similar results independently of which school they attend. To take account of this, a confidence interval is constructed. Where a confidence interval overlaps zero, a school's progress score is not significantly different from the national average.</i> | |
| School 2022 | National 2022 |
| -0.16 (*Confidence Interval -0.83 to 0.51) | -0.03 |

| EBacc Entry | |
|---|---------------|
| <i>The EBacc (English Baccalaureate) is a set of subjects at GCSE that keeps young people's options open for further study and future careers. There are 5 pillars to the EBacc: English, maths, science, geography or history & a language. The higher percentage of entry reflects the very academic curriculum on offer at Maharishi School.</i> | |
| School 2022 | National 2022 |
| 94% | 39% |

| EBacc Average Points Score <i>The EBacc average points score calculates a pupil's average point scores across the 5 pillars of the English Baccalaureate.</i> | |
