

## School Results

Below is an analysis of the 2024 results for GCSE and KS2. Whilst we are incredibly proud of our pupils' efforts and their results, here at Maharishi School, success is measured by more than just academic results. We want all of our graduates to leave us with a heightened sense of self-confidence as they enter the world beyond Maharishi School; a level of social conscience that reflects our motto 'The World is my Family'; and, most of all, a sense of fulfillment.

### GCSE Results 2024

\*National data for 2024 has not yet been released (due January - February 2025), therefore national comparisons are from 2023

<b>Attainment 8</b>	
<i>Attainment 8 shows the average academic performance of a secondary school. It is calculated by adding together pupils' highest scores across eight government approved school subjects.</i>	
School 2024	National 2023*
49	45

<b>Progress 8</b>	
<i>Progress results are calculated for a school based on a specific set of pupils. A school may have been equally effective, but have performed differently, with a different set of pupils; and some pupils may achieve similar results independently of which school they attend. To take account of this, a confidence interval is constructed. Where a confidence interval overlaps zero, a school's progress score is not significantly different from the national average. 0.0 = expected progress based on prior attainment</i>	
School 2024	National 2023*
There will be no Progress 8 scores for the next two years due to a lack of SATs data from the pandemic.	

<b>Grade 5+ in English &amp; maths</b>	
School 2024	National 2023*
53%	42%

<b>EBacc Entry</b>	
<i>The EBacc (English Baccalaureate) is a set of subjects at GCSE that keeps young people's options open for further study and future careers. There are 5 pillars to the EBacc: English, maths, science, geography or history &amp; a language. The higher percentage of entry reflects the very academic curriculum on offer at Maharishi School.</i>	
School 2024	National 2023*
87%	36%

<b>EBacc Average Points Score</b> <i>The EBacc average points score calculates a pupil's average point scores across the 5 pillars of the English Baccalaureate.</i>	
School 2024	National 2023*
4.80	3.89

<b>Achieving Ebacc at grade 5+</b>	
School 2024	National 2023*
27%	16%

This past year has seen 100% of our graduates move on to further education.

We would like to express our continued thanks to staff, parents and governors for their unwavering support in guiding our pupils towards the fulfillment of their ambitions and we wish our Y11 leavers all the very best for the future.

<b>GCSE Results 2023</b>
