

Maths

In maths we are learning about place value up to 100,000 followed by column addition and subtraction up to 5 digits.

In English our class text are 'Cosmic' by Frank Cottrell followed by a 'Detailed Ancient Greece Timeline.'

Science – Earth and Space. We will be learning about:

- * What are the layers of Earth?
- * Earth rotating on its axis and simultaneously orbiting the sun.
- * What are the moon phases?

Year 5 Autumn 1

History/ Geography

In topic we are learning about Ancient Greece – we will explore historical timeline, Greek lifestyle and how they have influenced the world today through philosophy, democracy, arts and culture.

PHSE

We are learning all about me and my world in year 5.

Computing

* In computing we are learning about E-safety (focus around not leaving your devices unattended, what makes a good secure password and more).

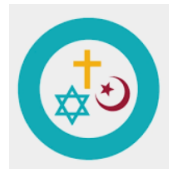

Art

* In art we are learning about Greek Pottery...keep an eye out for our pots this term!

RE

How do we know God exists?

P.E

In PE children will be developing their Hockey and Rugby skills.
