

A Year Group	That there are different areas on the earth: land/sea/ocean. Learning to respect the environment.	Similarities and differences between different countries. Using video and photo evidence.	Describe a familiar route. Look for features such as river, canal, different buildings. Discussing routes and locations in the local area.	What clothing do we need for different weather conditions?					
1	Locate and name the 7 continents in the world. Locate the 4 counties on a map of the UK and their capital cities.	Finding UK on a world map – zoom to England – zoom to Manchester – zoom to Droylsden. Locate the UK on a globe.	Different types of settlement and their key features. Using different media to identify features of a settlement.	What is a map and how do we use them? Study local maps and identify key features of Droylsden as a settlement.	Different features of a settlement can be represented using a symbol on a map.	What are the key features of Droylsden? Use different media to show. Children complete local walk and gather evidence.	Similarities and differences between Droylsden and a Village
