

FOOD FOR THOUGHT...

At Enquire Learning Trust we have been working hard this academic year to deliver on our promise of great value healthy school meals, with quality ingredients and increased portions, all whilst holding our school meal price at **£2.25**.

The catering teams have delivered engagement activities to support census day, parents evenings and themed events (be sure to look out for future events) and provided **7338** Christmas lunches to pupils across the Trust.

With investment in growing our own produce, pupils can look forward to menus which allow them the opportunity to 'try new things' including sweet treats like beetroot brownie and courgette cake.
