Assemblies are straight after registration in the mornings and usually last for around 30 minutes. All adults are invited into the classrooms afterwards to view the children's work. It would be lovely to see you all there, so please put these dates in your diaries 😊

Free online safety workshop for parents and carers

We are inviting all parents, carers or other family members to a free online safety workshop at school on Thursday 15th November. The content in the workshops is aimed at adults. Parents are advised to arrange childcare if possible.

The hour-long workshop will help parents, carers and other adults understand their child's online world, build confidence to have those important conversation that can help keep children safe online and help you know where to go for help and advice.

Don't miss this opportunity – It is a great chance to talk about what children of primary age are up to online, and has clear guidance about what parents can do to help keep the children safe.

Refreshments will be served, and the session will finish just in time for when the children finish school.

If you would like to attend and you didn't receive the form, which went out earlier in the week, please call school and book yourself a place.

Flu Vaccinations – Intra Health

Forms were sent out to all children Reception – Year 5, ready for the nasal spray vaccination, which will be administered in school early November. The forms have been now been collected.

If you want your child to have this vaccination you must call them direct to give consent over the phone, as soon as possible, on 0161 628 7428.

PLEASE NOTE OUR NEXT INSET DAY WHEN SCHOOL WILL BE CLOSED – **FRIDAY 30TH NOVEMBER 2018**

This is a trust – wide closure day to enable off – site training for all staff.
