### **Cars outside school**

Driving to school is a necessity for some families, and we understand this, however when driving to and from school we have to be really mindful of our actions. This week we have had reports of parents driving whilst being on their phones. This is so disappointing to hear, as we all know the safety risks driving whilst on the phone poses to ourselves and others.

We have also had complaints from residents, who again have had their drives blocked. And had reports the staff car park is being used by parents.

Water Lane and Manchester Road gets very busy in the morning and at the end of the day, so if you could park in one of the surrounding streets this would really help with congestion, and ensure everyone is parking safely.

### **Reception and Year 6 Height & Weight**

Questionnaires and opt out forms have been sent home with the children this week. These need to be sent back into school as soon as possible.

Height and weight, for children in reception and year 6, is a national programme delivered by NHS staff. This will be measured in school in a few weeks, unless you choose to opt out. ***This is done privately, therefore the children's height and weight will not be seen by anyone else in the class.***

PLEASE NOTE OUR NEXT INSET DAY WHEN SCHOOL WILL BE CLOSED – **FRIDAY 30<sup>TH</sup> NOVEMBER 2018**

This is a trust – wide closure day to enable off – site training for all staff.
