

## Year 4 Summer Term

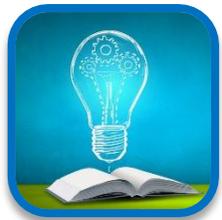

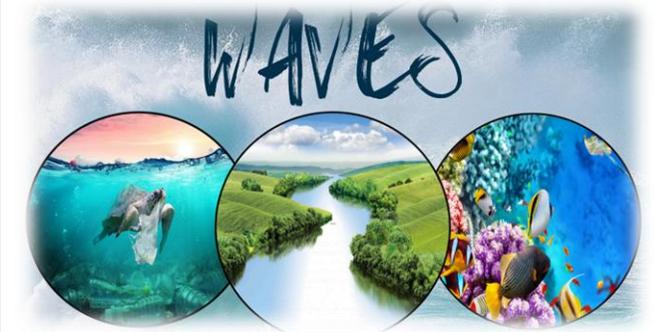

Please select at least 4 homework tasks to complete over the Spring term. Your work will be displayed in your classroom. Prizes and Dojo points will be given for effort and originality. If you would like to complete a different project linked to your topic, you can do this too!

Pageticker

This homework is in addition to regular reading at home, spelling practice and times table practice.

### D&T

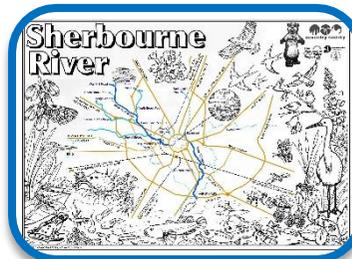

Our oceans, rivers and waterways are becoming more and more polluted with plastics each year. Your challenge is to design an invention that would help to reduce the plastics in our oceans.

Design and label your invention and explain how it would work!

### Geography

Create a river map of the River Sherbourne that runs through Coventry. Label where it originates and where it merges to the River Sowe. Label any landmarks or if it runs near your house!

You can create it as a sketch map, a digital map or for extra original points, it could be 3D!

### History

With all our learning about oceans and rivers, research one of the following explorers that have voyaged across the oceans throughout history. Present your findings as creatively as possible.

Here are some ideas:

- Sir Francis Drake
- Captain James Cook
- Ernest Shackleton
- Sylvia Earle
- James Cameron

### Art

Jenny Berry is an artist who enjoys painting marine life images. Look at some of her work here <https://www.jennyberryartist.com/>

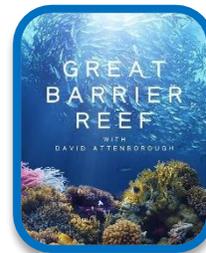

Draw or paint your own marine life picture and bring it into school to display in your classroom or upload a picture to Dojo!

### Computing

Create a voice over video in the style of Sir David Attenborough about the Great Barrier Reef. Use his incredible TV series as inspiration to create your own. Upload to Dojo once you have complete it!
