1 Definitions

1.1 'Safeguarding' is defined in Keeping Children Safe in Education (2025) as;

- Providing help and support to meet the needs of children as soon as problems emerge; whether that is within or outside the home, including online
- protecting children from maltreatment;
- preventing the impairment of children's mental and physical health or development;
- ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and
- taking action to enable all children to have the best outcomes.

1.2 'Child Protection' is the intervention that occurs when children have been significantly harmed or are at risk of significant harm.

1.3 'Child' refers to everyone under the age of 18.

1.4 'Parent' refers to birth parents and other adults in a parenting role for example adoptive parents, step parents and foster carers.

1.5 'Staff' or 'members of staff' refers to all teaching, non-teaching, support, supply, peripatetic, contract staff, governors, volunteers and trustees working in or on behalf of Manor Park Primary.

1.6 Within this policy, we use the term 'victim', although it is recognised that not everyone considers themselves to be a victim or would want to be described in this way. We also recognise the importance of not using the terminology of 'perpetrator' in relation to children in cases where the behaviour can be harmful to both parties. The appropriate use of terminology will be determined on a case-by-case basis.

2 Introduction

2.1 We recognise that safeguarding, child protection, and promoting the welfare of children is an essential part of our duty of care to all students. As such, all staff and governors have a responsibility to provide a safe environment in which children can learn. We understand that safeguarding, child protection and promoting the welfare of all children is everyone's responsibility and that everyone has a role to play in protecting children. We recognise that our school is part of a wider safeguarding system for children and work closely with other agencies to promote the welfare of children. We maintain an attitude of 'it could happen here' and will consider what is in the best interests of each child in line and upholding the Human Rights Act 1998 and Equality Act 2010.

2.2 The purpose of this policy is to;

- Promote safeguarding and child protection and to demonstrate Manor Park Primary's commitment to keeping children safe;
- Provide all members of staff with the information required to meet their safeguarding duty and protect children from harm;
- Provide stakeholders with clear information relating to Manor Park Primary's safeguarding and child protection procedures;
- Ensure that staff understand, can recognise and can respond to the indicators of abuse, exploitation or neglect;

- Ensure that all staff are aware of their mandatory reporting duty in relation to Section 5B of the Female Genital Mutilation Act 2003; and
- Ensure that children are protected from maltreatment or harm.

2.3 Manor Park Primary is committed to the following principles;

- All children have the right to be protected from harm.
- Children should feel safe and secure and cannot learn unless they do so.
- All staff are responsible for keeping children safe and have a responsibility to act if they think a child is at risk of harm.
- All staff take on a responsibility to promote children's welfare
- Providing support to families and/or children as soon as a problem emerges is essential to improving outcomes for children and families.

2.4 Safeguarding aims

2.4.1 The safeguarding aims of Manor Park Primary, in line with Keeping Children Safe in Education (September 2025) are to;

- provide a learning environment for children which is safe and secure;
- teach children how to keep themselves safe and provide structures for them to raise concerns if they are worried or at risk of harm;
- support children's mental health and wellbeing;
- ensure that we adhere to safer recruitment guidance and legislation, deal promptly with allegations of abuse against staff and take bullying and harassment seriously;
- train staff effectively in all safeguarding issues (including online safety) and in their responsibilities for identifying and protecting children that are or may be at risk of harm;
- have a designated safeguarding lead and designated deputies, who will provide support to staff, students and families;

- Keeping Children Safe in Education (2025)
- Working Together to Safeguard Children 2023

2.6 We continue to work closely with the Local Authority and the Coventry Safeguarding Children Partnership to safeguard children across the city.

2.7 Please note that there are a number of other documents (statutory and non-statutory) that inform our policy and practice. A list of these can be found in Annex B of Keeping Children Safe in Education (September 2025).

2.8 This policy should be read in conjunction with the following policies;

Relationships & Behaviour, Attendance & Exceptional Leave, Anti-bullying, Tackling Extremism and Radicalisation, Online Safety, Children Missing/Absent from Education, Digital Recording, Mobile Phones and Use of Social Media, Whistleblowing, Allegations against Staff. Details of these policies can be found in Appendix A.

2.9 Scope

2.9.1 This policy applies to all teaching, non-teaching, support, supply, peripatetic, contract staff, governors, volunteers and trustees working in or on behalf of Manor Park Primary. All references in this document to 'staff' or 'members of staff' should be interpreted as relating to the aforementioned unless otherwise stated.

2.9.2 Rather than duplicating content from Keeping Children Safe in Education (September 2025) in this policy, it should be understood that Manor Park Primary will always refer to this document as the benchmark for all safeguarding practice.

3.5 Multi-Agency Working

3.5.1 The school is committed to multi-agency working and operates under Working Together to Safeguard Children (2023) and local safeguarding arrangements.

3.5.2 The school will work with Children's Services the Police, Health services, local Early Help practitioners and other relevant agencies to promote the welfare of children and protect them from harm.

3.5.3 We work closely with our local Family Hub to ensure children receive appropriate, co-ordinated Early Help Assessments – Aspire Family Hub, Humber Avenue, Coventry, Tel: 024 76978100.

3.5.4 The Coventry Safeguarding Children Partnership (CSCP) have designated that schools and colleges are a named 'relevant agency'. As such, the school is under a statutory duty to co-operate with published CSCP arrangements.

4 Types of abuse Neglect and Exploitation

4.1 As outlined above, all staff will be trained in indicators of abuse, exploitation and neglect and should be able to recognise signs of these. We recognise that abuse, exploitation and neglect along with other safeguarding issues are complex and often multidimensional and therefore don't fall solely under one category. Types of abuse or harm can take many forms including directly inflicting harm on a child or failing to protect a child from harm online as well as face to face both inside and outside of the school as well as online, including the multi-faceted occurrence

of factors causing emotional harm. In many cases abuse and other risks will take place concurrently both online and offline.

The four main types of abuse that staff are trained to recognise are;

- Physical abuse;
- Sexual abuse;
- Emotional abuse;
- Neglect.

4.2 Types of abuse (Taken from Keeping Children Safe in Education, 2025)

Type of abuse	Information
Abuse	A form of maltreatment of a child. Somebody may abuse or neglect a child by inflicting harm, or by failing to act to prevent harm. Harm can include ill treatment that is not physical as well as the impact of witnessing ill treatment of others. This can be particularly relevant, for example, in relation to the impact on children of all forms of domestic abuse. Children may be abused in a family or in an institutional or community setting by those known to them or, more rarely, by others. Abuse can take place wholly online, or technology may be used to facilitate offline abuse. Children may be abused by an adult or adults, or another child or children.
Physical abuse	A form of abuse which may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.
Emotional abuse	The persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond a child's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyber bullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, though it may occur alone.

Sexual abuse	Involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example, rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing. They may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse. Sexual abuse can take place online, and technology can be used to facilitate offline abuse. Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children. The sexual abuse of children by other children is a specific safeguarding issue in education and all staff should be aware of this and of Manor Park Primary's policy and procedures for dealing with this.
Neglect	The persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy, for example, as a result of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to: provide adequate food, clothing and shelter (including exclusion from home or abandonment); protect a child from physical and emotional harm or danger; ensure adequate supervision (including the use of inadequate care-givers); or ensure access to appropriate medical care or treatment. It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

4.3 Indicators of abuse can be found in Appendix B.

4.4 If a child is in immediate danger or at risk of harm, a referral will be made to children's services (through the MASH) and any member of staff can make this referral. A Designated or Deputy Designated Safeguarding Lead should be available at all times, but in exceptional circumstances the member of staff should speak to a member of the Senior Leadership Team or seek advice directly from Children's Service and then take appropriate action. The Designated Safeguarding Lead should be made aware as soon as possible.

4.5 Staff, parents and the wider community should report any concerns that they have about the welfare of children, however minor or seemingly insignificant. Staff should not assume that someone else will report concerns.

4.6 The school recognises that any child can be the victim of abuse and may benefit from early help. However, the school will be particularly vigilant to potential need for early help if a child;

- is disabled or has certain health conditions and has specific additional needs;
- has special educational needs (whether or not they have a statutory education, health and care plan);
- has a mental health need;
- is a young carer;
- is showing signs of being drawn in to anti-social or criminal behaviour, including gang involvement and association with organised crime groups or county lines;
- is frequently missing/goes missing from care or from home;
- is a risk of modern slavery, trafficking, sexual or criminal exploitation;
- is misusing drugs or alcohol themselves;
- has a family member in prison, or is affected by parental offending;
- is in a family circumstance presenting challenges for the child, such as substance abuse, adult mental health problems or domestic abuse;
- has returned home to their family from care;
- is showing early signs of abuse and/or neglect;
- is at risk of being radicalised or exploited;
- is at risk of 'honour-based' abuse such as Female Genital Mutilation or Forced Marriage;
- is persistently absent from education, including persistent absences for part of the school day.
- is a privately fostered child.

4.7 Manor Park Primary recognises that abuse can take many different forms. Staff will also receive training on the following issues and action will be taken if Manor Park Primary believes that a child is at risk of or is the victim of;

- bullying, including cyberbullying, prejudice based and discriminatory
- child criminal exploitation and sexual exploitation (including involvement in county lines);
- domestic abuse;
- emotional abuse;
- fabricated or induced illness;
- faith-based abuse;
- female genital mutilation;
- forced marriage;
- gangs or youth violence;
- gender-based violence;
- hate;
- mental health;
- neglect;
- child on child abuse;
- physical abuse;
- radicalisation;
- relationship abuse;
- serious violence and harassment;
- sexual abuse;
- sexual violence or sexual harassment (including child on child abuse);

- sharing of consensual or non-consensual nude and semi-nude images/videos;
- So-called 'honour-based' abuse;
- trafficking and modern slavery.

4.8 Manor Park Primary will also take action to protect;

- Children missing/absent from education;
- Children missing from home or care.

4.8.1 There are other familial issues that can have a detrimental impact on children.

We work with other agencies in line with Keeping Children Safe in Education (2025) to support children and families in the following circumstances;

- Children facing the court procedures and/or children in the court system;
- Children with family members in prison;
- Children who are homeless;
- Children who need a social worker.

4.9 Children potentially at greater risk of harm

4.9.1 Manor Park Primary recognises that some children need a social worker due to abuse, neglect or complex family circumstances and that abuse and trauma can leave children vulnerable to further harm, as well as educational disadvantage.

4.9.2 The Designated Safeguarding Lead will hold information relating to social workers working with children in the school.

4.9.3 This information will inform decisions about safeguarding and promoting welfare (including the provision of pastoral and/or academic support).

4.10 Children absent/missing from Education

4.10.1 Manor Park Primary understands that children that are absent from education for prolonged periods and/or repeat occasions can act as a vital warning sign to a range of safeguarding issues including neglect, child sexual and criminal exploitation – particularly county lines. This includes children missing education that are not on roll.

4.10.2 Manor Park Primary will report information to the Local Authority when problems are first emerging and if there is a need for the removal of a child from roll.

4.11 Elective Home Education

4.11.1 Manor Park Primary recognises that many home educated children have a positive learning experience and the decision is one with the child's best interests at heart however elective home education can mean that some children are not in receipt of suitable education.

4.11.2 Since 2016, Manor Park Primary has a statutory duty to inform the Local Authority of all deletions from roll. When Elective Home Education is the reason for this removal, the Local authority and other key professionals will work alongside Manor Park Primary to coordinate a meeting with parents where possible ideally before a final decision is made.

4.12 Children requiring Mental Health support

4.12.1 The school recognise that safeguarding and promoting the welfare of children includes preventing the impairment of children's mental health or development.

4.12.2 All staff will be aware that mental health problems may be an indicator that a child is suffering or is at risk of suffering abuse, neglect or exploitation.

4.12.3 Staff will not attempt to make a diagnosis of a mental health problem unless they are appropriately trained.

4.12.4 We recognise that staff are well-placed to observe behaviour that may indicate that a child is experiencing a mental health problem or is at risk of developing one. There are clear systems and processes in place for identifying possible mental health problems. If staff are concerned that a child is suffering a mental health problem, they should discuss their concern with the inclusion team and record their concern on CPOMS. The inclusion and safeguarding team will consider the most appropriate support. If the concern involves an urgent mental health crisis then the DSL should be informed without delay. Some indicators a child may be suffering from a mental health issue may be changes in behaviour i.e. aggressive, feeling fearful or withdrawn, lack of ability to understand and recognise emotions.

4.12.5 If staff are concerned that a child is experiencing a mental health problem that is also a safeguarding concern, they must report this to the Designated Safeguarding Lead (or deputy Designated Safeguarding Lead) immediately.

4.12.6 Manor Park Primary has an Inclusion team consisting of a SENDCo and learning mentors who are responsible for the promotion of mental health and wellbeing across the school. Manor Park's designated Mental Health First Aider is Deb Perkins.

4.12.7 Further information, guidance and advice regarding mental health can be found on page 50 of Keeping Children Safe in Education 2025.

4.13 Children who are Lesbian, Gay, Bi (LGBTQA+) or may be gender questioning children

4.13.1 The fact that a child or a young person may be LGBT is not in itself an inherent risk factor for harm. However, children who are LGBT can be targeted by other children. In some cases, a child who is perceived by other children to be LGBT (whether they are or not) can be just as vulnerable as children who identify as LGBT.

4.13.2 In line with updated Keeping Children Safe In Education (2025) guidance, it is important to consider the Cass review, which identified that caution is necessary for children questioning their gender as there remain many unknowns about the impact of social transition and children may well have wider vulnerabilities, including having complex mental health and psychosocial needs, and in some cases additional diagnoses of autism spectrum disorder and/or attention deficit hyperactivity disorder.

4.13.3 It recommended that when families/carers are making decisions about support for gender questioning children, they should be encouraged to seek clinical help and advice. When parents are supporting pre-pubertal children, clinical services should ensure that they can be seen as early as possible by a clinical professional with relevant experience.

4.13.4 As such, when supporting a gender questioning child, schools should take a cautious approach and consider the broad range of their individual needs, in partnership with the child's parents (other than in the exceptionally rare circumstances where involving parents would constitute a significant risk of harm to the child), including any clinical advice that is available and how to address wider vulnerabilities such as the risk of bullying. Schools should refer to our Guidance for Schools and Colleges in relation to Gender Questioning Children, when deciding how to proceed.

4.13.5 Risks can be compounded where children who are LGBT lack a trusted adult with whom they can be open. It is therefore vital that staff endeavour to reduce the additional barriers faced and provide a safe space for them to speak out or share their concerns with members of staff.

4.13.6 LGBT inclusion is part of the statutory Relationships Education, Relationship and Sex Education and Health Education curriculum and there is a range of support available to help schools counter homophobic, biphobic and transphobic bullying and abuse

5 Responding to signs of abuse

5.1 If a member of staff, parent or member of the public is concerned about a child's welfare, they should report it to the designated safeguarding lead as soon as possible. On occasions when the designated safeguarding lead is not available, it should be reported to the deputy safeguarding lead without delay. Although any member of staff can make a referral to Children's Services where possible there should be a conversation with the Designated Safeguarding Lead.

5.2 If anyone other than the Designated Safeguarding Lead makes a referral to Children's Services or to the police, they should inform the DSL as soon as possible.

5.3 All staff will be alert to indicators of abuse and will report any of the following to the Designated Safeguarding Lead immediately;

- Any concern or suspicion that a child has sustained an injury outside what is reasonably attributable to normal play;
- Any concerning behaviours exhibited by children that may indicate that they have been harmed or are at risk of harm, including unusual changes in mood or behaviour, concerning use of language and/or concerning drawings or stories.
- Any significant changes in attendance or punctuality;
- Any significant changes in a child's presentation;
- Any concerns relating to people who may pose a risk of harm to a child; and/or
- Any disclosures/allegations of abuse that children have shared.

5.4 There will be occasions where a child discloses/alleges abuse directly to a member of staff. If this happens, the member of staff will;

- listen carefully to the child and believe what they are saying;
- not promise confidentiality, as information may need to be passed on so the child and family can receive additional support;
- only ask for clarification if something is unclear and will not ask 'leading' questions;
- report disclosure to the designated safeguarding lead as soon as possible, certainly by the end of the day;
- only discuss the issue with colleagues that need to know about it; and
- will write up the disclosure and pass it to the designated safeguarding lead. It is likely they will have had a discussion with the DSL prior to this but delay should be avoided.

5.5 The designated safeguarding lead will make a decision about the action that needs to be taken following a member of staff raising a concern about a child, or following a direct disclosure recording a clear rationale. The DSL may consider the following options;

- Managing support for the child internally within school;
- Seek advice from the social worker advice line in the MASH;
- Instigate single agency intervention and work directly with the family to improve the situation;
- Offer an Early Help Assessment to provide multi-agency help to a family;

- In cases where children are deemed to be at significant risk of harm, the DSL will refer cases to the MASH for consideration for statutory intervention. Parental consent will be obtained wherever possible before referring cases to the MASH. However, if Manor Park Primary is worried that telling parents will mean the child is at greater risk of harm, we may do this without informing them.
- If parents do not consent to a referral but the school believes that a child is at significant risk of harm, a referral will still be made to Children's Services.

5.6 For further information about the Coventry Safeguarding Children Partnership's 'Right Help, Right Time' guidance, which is used by Manor Park Primary to make decisions about protecting children, please visit <http://www.coventry.gov.uk/righthelprighttime>.

5.7 See page 24 for flowchart of actions that will be taken where there are concerns about a child (taken from Keeping Children Safe in Education, September 2025).

5.8 In cases where members of staff become aware that Female Genital Mutilation (FGM) has been carried out on a female below the age of 18, they have a mandatory duty to report this to the police without delay and will do so. Staff should refer this to the DSL first, but the legislation requires regulated health and Children's Service professionals and teachers in England and Wales to make a report to the police where, in the course of their professional duties, they either;

- are informed by a girl under 18 that an act of FGM has been carried out on her; or
- observe physical signs which appear to show that an act of FGM has been carried out on a girl under 18 and they have no reason to believe that the act was necessary for the girl's physical or mental health or for purposes connected with labour or birth.

If you believe a child is at risk of FGM, a referral to the MASH is also required.

5.9 Manor Park Primary have a duty to refer any children who are living in a private fostering arrangement to the local authority. Private fostering is when a child under the age of 16 (or under 18 if disabled) is cared for by someone who is not their parent or a close relative. This is a private arrangement made between a parent and a carer, expected to last 28 days or more, or the school are aware the 28 days has been exceeded.

5.10 All schools are subject to a duty under section 26 of the Counter-Terrorism and Security Act 2015 in the exercise of their functions to have "due regard" to the need to prevent people from being drawn into terrorism. See Appendix B for further information on Manor Park Primary's Prevent duty.

5.11 If any member of staff is unsure about signs of abuse or neglect, they should speak to the Designated Safeguarding Lead.

5.12 Child on Child Abuse

5.12.1 Manor Park Primary understands that both adults and other children can perpetrate abuse, and can happen inside and outside of school, online or face to face. Child on Child abuse is taken very seriously and can include bullying (including cyber-bullying, prejudice-based and discriminatory bullying), abuse in intimate personal relationships between children, physical abuse, sharing of consensual or non-consensual images or videos, causing someone to engage in sexual activity without consent, sexual violence and/or harassment, upskirting, and initiation/hazing ceremonies. The school recognise that safeguarding issues can manifest as child-on-child abuse.

5.12.2 All members of staff will be made aware of the school's policy and procedures with regards to child-on-child abuse. The school will ensure staff understand what is meant by child-

on-child abuse and the school policy on child-on-child abuse by regular staff training, briefings and updates.

5.12.3 The school will work to prevent child on child abuse by teaching children how to safeguard themselves online and in the real world, through:

- PSHE lessons – healthy and respectful relationships, consent, gender roles, stereotyping and equality, prejudiced behaviour
- RSE lessons
- Online safety lessons – cyber-bullying, what respectful behaviour looks like
- Anti-bullying lessons
- Creating a culture of ‘speaking up’
- Working with NSPCC i.e. ‘Speak Out Stay Safe’ assemblies

5.12.4 Although it is recognised that if there are no reported cases, such abuse may still be taking place. If an allegation of child-on-child abuse is made, Manor Park Primary School will investigate this:

- All concerns would be logged on CPOMS
- DSLs will investigate the allegation immediately (even if off site)
- The following measures will be considered as an investigation takes place, and the DSL will make a decision to either:
 - manage internally
 - seek support through early help
 - refer to social care
 - or report to the Police

5.12.5 In the event that an allegation of child-on-child abuse is made, victims, alleged perpetrators and any other children affected will be supported by:

- Taking the allegation seriously
- Victims will be listened to, supported and respected
- Victims and alleged perpetrators will be supported by school, considering both their needs and if appropriate, conducting a Risk and Needs Assessment.
- The alleged perpetrator may be removed from any classroom they share with the victim and may be kept a reasonable distance apart on school premises whilst an investigation takes place
- and a referral to the MASH will be considered

5.12.6 Manor Park Primary School will never pass off child on child abuse as ‘banter’, ‘having a laugh’, ‘part of growing up’ or other such termination that does not recognise the harm caused. This should be a Zero-tolerance approach as this could lead to a culture of unacceptable behaviours. It is recognised with this, that all child-on-child abuse is unacceptable and will be taken seriously.

5.12.7 Manor Park Primary School will adhere to guidance set out in Keeping Children Safe in Education (2025) when responding to incidents of child-on-child abuse.

5.12.8 All staff will be made aware that ‘upskirting’ is a criminal offence.

5.13 Child Sexual Exploitation (CSE) and Child Criminal Exploitation (CCE)

5.13.1 Both CSE and CCE are forms of abuse that occur when an individual or group take advantage of an imbalance in power to coerce, manipulate or deceive a child into taking part in

sexual or criminal activity, in exchange for something the victim needs or wants, and/or for the financial advantage or increased status of the perpetrator through violence or threat of violence. CCE and CSE can affect both males and females and can include children that have been moved for the purpose of exploitation (trafficking).

5.13.2 CCE can include children being forced or manipulated into transporting drugs or money through county lines, working in cannabis factories, shoplifting or pickpocketing, vehicle crime, threatening violence on others or even carrying weapons.

5.13.3 The school is responsible for recognising children involved in CCE are victims of exploitation and should be recognised as such due to the harm they have experienced even if they appear to have consented to the criminal activity.

5.13.4 CSE is a form of child sexual abuse including physical contact and non-contact online activities including the internet or by phone. This can happen over time or as a one off and may happen without the child recognising this as abuse or harmful.

5.13.5 The school recognises that children of the age of 16 and 17 who can legally consent to a sexual relationship may also be the victims of CSE but may not recognise this.

5.13.6 The school understands children can be at risk of, or involved in, serious violent crime. This can result in an increase absence from school or college, a change in friendships, decline in educational attainment, significant change in wellbeing, or signs of unexplained injuries.

5.14 Sharing of consensual or non-consensual nude and semi-nude images or videos

5.14.1 "Sharing of consensual or non-consensual nude and semi-nude images or videos" refers to any sharing of youth-produced sexual imagery between children. This includes;

- A person under the age of 18 creating and sharing sexual imagery of themselves with a peer under the age of 18;
- A person under the age of 18 sharing sexual imagery created by another person under the age of 18 with a peer under the age of 18 or an adult;
- A person under the age of 18 being in possession of sexual imagery created by another person under the age of 18.

5.14.2 The school has a responsibility to educate children in the risks relating to 'sharing consensual or non-consensual nude images or videos' and how to keep themselves safe online. See school website for link to Online Safety Policy.

5.14.3 Any incidents or suspected incidents of 'sharing consensual or non-consensual nude images or videos' should be reported to the DSL without delay.

5.14.4 Once reported to the DSL, the DSL will decide on the appropriate course of action. This could include;

- Referrals to the MASH in regards to all parties involved (also the police if an urgent response required);
- Confiscation of mobile phones in line with guidance 'Searching, Screening and Confiscation, (January 2018);
- Support for young people involved to prevent reoccurrence;
- Sanctions in accordance with the relationships and behaviour policy;

5.14.5 Any incidents of 'sharing consensual or non-consensual nude images or videos' involving the following will result in a MASH and sometimes a Police referral;

- Adult involvement;

- Coercion or blackmail;
- Children under the age of 13;
- Extreme, or violent content;
- Immediate risk of harm.

5.14.6 Staff will not view images or videos on pupil devices. Confiscated devices will be stored securely and passed to the relevant agencies.

5.14.7 We will work with parents as necessary if their child is involved in the sharing of consensual or non-consensual nude images or videos.

5.14.8 We operate a culture of safeguarding and young people should feel confident to disclose if they have sent an inappropriate image of themselves. Children will always be supported to retrieve and delete the images.

5.15 Domestic Abuse

5.15.1 Domestic abuse can be a single incident or a pattern of incidents. It can also include psychological, physical, sexual, financial or emotional acts of abuse.

5.15.2 The school recognises that children can be a victim of Domestic Abuse by seeing, hearing or experiencing the effects or suffering domestic abuse in their own personal relationships. These all have a detrimental impact on children's health, well-being, development and ability to learn. Manor Park Primary School takes part in a jointly run operation between West Midlands Police and schools called Operation Encompass. We know that children can be traumatised when they are involved in, present or witness to domestic abuse and may be in need of emotional and practical support. Our School will receive a confidential communication from the Police Operation Encompass on the morning after any police notification or attendance at a domestic abuse incident.

5.16 Searching, Screening and Confiscation

5.16.1 Where necessary, searching, screening and confiscation will be used to safeguard a child/children in Manor Park Primary School.

5.16.2 Manor Park Primary School adheres to 'Searching, Screening and Confiscation: Advice for Schools (January 2018).

5.16.3 Please see searching, screening and confiscation policy in Exclusion Policy for further information.

5.17 Online Safety

5.17.1 The school recognises that in today's world, children need to be safeguarded from potentially harmful and inappropriate online material with many children having unlimited and unrestricted access to the internet via their mobile phone. The breadth of issues can be categorised currently into four areas of risk as taken from Keeping Children Safe In Education 2025:

- Content – being exposed to illegal, inappropriate, or harmful content (pornography, fake news, racism, misogyny, self-harm, suicide, anti-Semitism, radicalisation, and extremism), misinformation, disinformation (including fake news) and conspiracy theories.)
- Contact – being subject to harmful online interaction with other users (peer to peer pressure, commercial advertising and adults posing as children or young adults with the intention to groom or exploit)

- Conduct – online behaviour that increases the likelihood of, or causes, harm (making, sending and receiving explicit images)
- Commerce – risks such as online gambling, inappropriate advertising, phishing and or financial scams

5.17.2 Manor Park Primary School understand that the above can take place on a student's phone or smart device (including smart watches, smart glasses and 'air tags') whilst at school or elsewhere. Manor Park Primary School have responded to this by having a whole school approach to online safety which aims to protect and educate students, parents and staff in their use of technology. See Manor Park Primary School's Relationships & Behaviour Policy, Anti-bullying Policy, Tackling Extremism and Radicalisation Policy, Online Safety Policy, Digital Recording Policy, Mobile Phones and Use of Social Media Policy. Details of these policies can be found in Appendix A. Online safety lessons take place as part of Manor Park Primary School's PSHE curriculum.

5.17.3 The school has also established mechanisms to identify, intervene in and escalate any concerns highlighted through our filter and monitoring systems for both staff and students. The effectiveness of this is regularly reviewed with staff aware of how to escalate concerns. The school uses Senso to monitor and filter content for both staff and students. The DSL, DDSLs and IT Manager are alerted by email when a violation is detected, and this is then investigated with the outcome logged on Senso. Following a violation, the incident will either be marked as resolved or any of the following actions may be taken: log on CPOMS, parents informed, children spoken to and supported, staff spoken to, staff low level concern log, staff LADO referral. The filtering and monitoring system is audited and reviewed regularly.

Actions where there are concerns about a child

(1) In cases which also involve a concern or an allegation of abuse against a staff member, see Part four of this guidance.

(2) Early help means providing support as soon as a problem emerges at any point in a child's life. Where a child would benefit from co-ordinated early help, an early help inter-agency assessment should be arranged. Chapter one of [Working Together to Safeguard Children](#) provides detailed guidance on the early help process.

(3) Referrals should follow the process set out in the local threshold document and local protocol for assessment. Chapter one of [Working Together to Safeguard Children](#).

(4) Under the Children Act 1989, local authorities are required to provide services for children in need for the purposes of safeguarding and promoting their welfare. Children in need may be assessed under section 17 of the Children Act 1989. Under section 47 of the Children Act 1989, where a local authority has reasonable cause to suspect that a child is suffering or likely to suffer significant harm, it has a duty to make enquiries to decide whether to take action to safeguard or promote the child's welfare. Full details are in Chapter one of [Working Together to Safeguard Children](#).

(5) This could include applying for an Emergency Protection Order (EPO).

5.18 To raise concerns about children, members of staff should contact the Multi-Agency Safeguarding Hub (MASH) by telephone to discuss the referral. They should then complete the online Multi-Agency Referral Form (MARF) and submit this to the MASH. The school will follow up referrals if we do not receive feedback from Children's Services to ascertain the outcome of all referrals.

MASH Telephone number: 02476 788 555

MASH online referral form: <http://www.coventry.gov.uk/safeguardingchildren>

Out of hours Emergency Duty Team: 02476 832 222

Prevent/Channel Referrals: Refer to MASH (mash@coventry.gov.uk) and to CTU_GATEWAY@west-midlands.pnn.police.uk

5.19.1 If a child's situation does not appear to be improving following a referral, the school may re-refer the child. We will also consider using the **Coventry Safeguarding Children Partnership's Managing Professional Disagreements policy** to ensure that our concerns have been addressed and that the situation improves for the child.

6 Record-keeping

6.1 All concerns, discussions and decision made will be recorded in writing and kept confidential and stored securely. Records will be clear, comprehensive, actioned and outcome noted.

6.2 A written record of all safeguarding and/or child protection concerns, discussions and decisions made will be kept in individual children's files. This will be separate from the main school file and will only be accessed by the relevant safeguarding staff.

6.3 Manor Park Primary School keeps all safeguarding files electronically, using a system called Child Protection Online Management (CPOMs).

6.4 Staff will submit all concerns in writing to the DSL at the earliest opportunity. This may be after having a verbal conversation, but conversations will also be followed up in writing.

6.5 In the event that a child moves school, the safeguarding file will be transferred to the new setting securely and separately from the main school file in a timely manner (within 5 days for in-year transfers). Once received by the new school, this school will not retain the information.

6.6 The school will seek to hold at least two emergency contacts for every child.

6.7 All data processed by Manor Park Primary School is done so in line with the General Data Protection Guidelines and the Data Protection Act (2018) and Information Sharing (2024). DPA and UK GDPR do not prevent the sharing of information for the purposes of keeping children safe and promoting their welfare. Please see the following policies for additional information;

- GDPR Data Protection Policy
- GDPR Privacy Notice for Schools
- Record Management
- Record Retention Schedule

6.8 Further information regarding information sharing and data processing in relation to safeguarding can be found in Part One of Keeping Children Safe in Education (September 2025).

7 Photography and Images

7.1 Consent from parents to photograph children at school events for promotional reasons will be sought when the child joins Manor Park Primary School.

7.2 Parents can withdraw consent at any time and must notify Manor Park Primary School if they do not wish their child's photographs to be used.

7.3 Photographs of children used publicly will not be displayed with their name or other identifiable personal information.

7.4 Photographs of children will be processed in line with the General Data Protection Regulation. Please see the following policies on Manor Park Primary School's website for additional information;

- GDPR Data Protection Policy
- GPR for Children
- GDPR Privacy Notice for Schools
- Record Management
- Record Retention Schedule

8 Early Help Assessment

8.1 Manor Park Primary School is committed to supporting families as soon as a possible problem arises. It is more effective to support a family through early help than reacting to a problem later. Everyone who comes into contact with children and their families and carers have a role to play in safeguarding children. Manor Park Primary School is committed to working closely with its neighbouring family hub to work with families in the community to improve outcomes for children.

Hub details: Aspire Family Hub, Gosford Park Primary School, Humber Road, Coventry, CV1 2SF. Tel: 024 7697 8100 Email: aspirefamilyhub@coventry.gov.uk

8.2 Any child may benefit from early help, but as guided by KCSIE (2025) all school and college staff will be particularly alert to the potential need for early help for a child who:

- is disabled or has certain health conditions and has specific additional needs
- has special educational needs (whether or not they have a statutory Education, Health and Care plan)
- has a mental health need
- is a young carer
- is showing signs of being drawn in to anti-social or criminal behaviour, including gang involvement and association with organised crime groups or county lines
- is frequently missing/goes missing from education, home or care
- has experienced multiple suspensions, is at risk of being permanently excluded from schools, colleges and in Alternative Provision or a Pupil Referral Unit.

- is at risk of modern slavery, trafficking, sexual and/or criminal exploitation
- is at risk of being radicalised or exploited • has a parent or carer in custody, or is affected by parental offending
- is in a family circumstance presenting challenges for the child, such as drug and alcohol misuse, adult mental health issues and domestic abuse

8.3 Manor Park Primary School works within the Coventry Safeguarding Children Partnership's effective-support-for-children-and-young-people. framework, available on the CSCP website.

9 Staff training

9.1 In order for staff to be able to understand and discharge their safeguarding and child protection duties, Manor Park Primary School has committed to training staff throughout the academic year. All staff members will be made aware of Manor Park Primary School's safeguarding processes and structures and will receive training, including EYFS specific training for early years staff, on these as part of their induction. As part of this training and their annual refresher, they will also receive;

- This 'Safeguarding and Child Protection Policy'
- The staff Code of Conduct
- Copies of Part 1 and/or Annex A of Keeping Children Safe in Education (September 2025)
- School procedures for Children Absent from Education
- The school Relationships & Behaviour Policy

9.2 Staff, volunteers and Governors at Manor Park Primary will receive additional training and safeguarding bulletins and briefings throughout the academic year, as well as annual safeguarding training. The training and briefings covered will be dependent upon the staff member's role. This will include:

- Prevent
- Online Safety
- Child on child abuse
- Sexual Violence and Harassment
- Mental health
- Educational Visits
- Looked After Children
- Domestic Violence and Abuse
- Transgender Awareness
- Child Exploitation
- Safer Recruitment
- Right Help Right Time
- Attachment and Trauma

9.3 Manor Park Primary School recognise that children may engage in risky behaviours that may put them at additional risk of danger. These can include drug taking, alcohol abuse, truanting

and the sharing of consensual or non-consensual nude images or videos. Staff will also be trained in these areas in order to be able to further recognise if a child is at risk of harm.

9.4 - All staff are aware that children may not feel ready or know how to tell someone that they are being abused, exploited, or neglected, and/or they may not recognise their experiences as harmful. For example, children may feel embarrassed, humiliated, or being threatened. This could be due to their vulnerability, disability and/or sexual orientation or language barriers. This should not prevent staff from having a professional curiosity and speaking to the DSL if they have concerns about a child. It is also important that staff determine how best to build trusted relationships with children and young people which facilitate communication.

10 Safer Recruitment

10.1 Manor Park Primary School is committed to providing children with a safe environment, in which they can learn. We take safer recruitment seriously and all staff are subject to the following checks;

- Identity check;
- DBS clearance;
- Prohibition from teaching checks (where required);
- Barred List check;
- Section 128 checks (as required - leadership and management);
- Reference check (two references required);
- Professional qualifications check ;
- Right to work in the UK check;
- Further checks for those who have lived outside the UK;
- Disqualification Under the Childcare Act 2006 checks (as required); and
- Verification of the candidate's mental and physical fitness may also be sought.

10.2 A record of all checks completed for members of staff will be recorded on the Single Central Record.

10.3 All new members of staff will be required to obtain DBS clearance. Manor Park Primary School reserves the right to re-check DBS clearance for any member of staff where information is received that indicates they may pose a risk to children and may request candidates to register on the DBS update service.

10.4 At least one member of every interview panel will have undertaken Safer Recruitment training which it is recommended is refreshed every 2 years.

10.5 We take proportionate decisions on whether to check individuals above and beyond what is legally required dependant on individual circumstance.

10.6 Any visitor to the school who has not been subject to the necessary checks will be supervised at all times and a risk assessment completed.

10.7 All safer recruitment practices at Manor Park Primary School comply with Keeping Children Safe in Education (September 2025). See Part 3 of Keeping Children Safe in Education (September 2025) for further information. See Safer Recruitment policy on our website for further details.

11 Allegations of abuse against staff

11.1 Manor Park Primary School takes all safeguarding matters including low level concerns and/or allegations that harm to a child has occurred against staff (including agency, volunteers and contractors) seriously and will manage them in line with this policy, Part Four of Keeping Children Safe in Education (September 2025) and the CSCP Guidance, **'Allegations Against Staff and Volunteers'**.

11.2 Allegations or concerns may include

- Staff having behaved in a way that has harmed a child, or may have harmed a child;
- Staff possibly committing a criminal offence against or related to a child;
- Staff behaving towards a child or children in a way that indicates that he or she may pose a risk of harm to children; or
- Staff behaving or possibly behaving in a way that indicates they may not be suitable to work with children (including behaviour outside of work). This is known as 'Transferable risk'.

11.3 If a concern or allegation of abuse arises against the headteacher or should there be a conflict of interest to the Headteacher, it must be immediately reported to the Chair of Governors.

11.4 If a concern or allegation of abuse arises against any member of staff, supply teacher, volunteer or contractor other than the Headteacher, it must be reported to the Headteacher without delay.

11.5 Concerns or allegations of abuse against staff must be reported to the Headteacher or Chair of Governors as appropriate and not discussed directly with the person involved.

11.6 The Headteacher or Chair of Governors should consider if the concern or allegation meets the harms threshold as outlined in Working Together to Safeguard Children (2023) guidance indicating that a person in a Position of Trust has:

- behaved in a way that has harmed a child, or may have harmed a child
- possibly committed a criminal offence against or related to a child
- behaved towards a child or children in a way that indicates they may pose a risk of harm to children
- behaved or may have behaved in a way that indicates they may not be suitable to work with children

11.7 If they feel the criteria is met then they should refer into Coventry LADO using the online referral form on:

https://myaccount.coventry.gov.uk/service/Allegations_against_people_who_work_in_positions_of_trust_with_children_referral

The Headteacher or Chair of Governors can also seek guidance/advice if unsure by emailing lado@coventry.gov.uk.

11.8 'Low-level' concern does not mean it is not significant. This is a term used for any concern (no matter how small) that an adult working with a child may have breached the staff Code of Conduct and does not meet the harm threshold. Examples of which may include:

- Being overly friendly with children
- Having favourites
- Taking photographs of children on their mobile phone

- Engaging with a child on a one-to-one basis in a secluded area or behind a closed door.
Or;
- Humiliating pupils.

The details of the LADO can be found at the front of this policy.

11.9 Concerns relating to a position of trust issue will be referred to the Local Authority designated officer within 24 hours. In accordance with Keeping Children Safe in Education 2025, the school will make every effort to maintain confidentiality and guard against unwanted publicity while an allegation is being investigated or considered.

11.10 If a child has suffered or may have suffered abuse or harm, a MASH referral will also be made.

11.11 In the instances where an allegation is dealt with internally, the Local Authority designated officer will provide information and support to the school in managing the allegation.

11.12 A referral to the Disclosure and Barring Service will be made if a member of staff is dismissed or removed from their post as a result of safeguarding concerns, irrespective of whether they have resigned.

11.13 Supply Teachers and all contracted staff

11.13.1 Although the school does not directly employ supply teachers and contractors, the school will ensure that any concerns or allegations are referred to LADO and the relevant agency informed as the employer.

11.13.2 The school will never cease to use a supply teacher for safeguarding reasons without liaising with the Local Authority Designated Officer and reaching an agreed outcome.

11.13.3 Governing bodies/proprietors will liaise with the supply agency to determine whether to suspend or redeploy the supply teacher whilst they carry out their investigation.

11.13.4 The school will inform supply agencies of its process for managing allegations, including inviting the agency's human resource manager (or equivalent) to meetings and regularly updating agencies on relevant school policies. The school will usually take the lead because agencies do not have direct contact with children or staff, so will not be able to gather information.

11.14. Governors

11.14.1 If an allegation or concern is about a Governor, the school/college will follow local procedures.

11.15. Volunteers

11.15.1 Risk assessments and a DBS check will be requested for all volunteers. Under no circumstances will a volunteer prior to satisfactory checks being completed be alone with children unsupervised or allowed to work in regulated activity.

11.16 Whistleblowing

11.16.1 Manor Park Primary School operates a culture of safeguarding and all staff should report any concerns about poor or unsafe practice, or Manor Park Primary School's safeguarding processes to the senior leadership team.

11.16.2 Appropriate whistleblowing procedures are in place whereby the senior leadership team will take all concerns seriously.

11.16.3 In the event that a member of staff is unable to raise an issue with senior leadership in school, they should refer to Part 1 of Keeping Children Safe in Education for additional guidance on whistleblowing procedures.

11.17 Complaints Procedure

The School operates a complaint procedure which will be followed where a pupil or parent raises a concern about poor practice towards a pupil that initially does not reach the threshold for child protection action. Poor practice examples include unfairly singling out a pupil or attempting to humiliate them, bullying or belittling a pupil or discriminating against them in some way. Complaints are managed by the headteacher, other members of the senior leadership team and governors. Our complaints procedure policy can be found on our website.

Complaints from staff are dealt with under the school's complaints and disciplinary and grievance procedures. (Also refer to Low level concerns)

Complaints which escalate into a child protection concern will automatically be managed under the school's child protection procedures.

12 Promoting safeguarding and welfare in the curriculum

12.1 Manor Park Primary School recognises the importance of teaching children how to stay safe and look after their mental health and are committed to equipping children with the skills and knowledge to have successful and happy lives.

12.2 The school will teach children about safeguarding, including online safety. As part of a broad and balanced curriculum, the school will cover relevant issues in line with government guidance on Relationships Education, Relationships and Sex Education and Health Education. See our website for Manor Park Primary's PSHE & Relationships Education policy.

12.3 Schools and colleges play a crucial role in preventative education. Preventative education is most effective in the context of a whole-school or college approach that prepares pupils and students for life in modern Britain and creates a culture of zero tolerance for sexism, misogyny/misandry, homophobia, biphobic and sexual violence/harassment. The school will have a clear set of values and standards, upheld and demonstrated throughout all aspects of school life. These will be underpinned by the school's relationships & behaviour policy and pastoral support system, as well as by a planned programme of evidence based RSHE delivered in regularly timetabled lessons and reinforced throughout the whole curriculum (RSHE).

12.4 Children Manor Park Primary School will receive the following as part of our promotion of safeguarding across the curriculum:

- PSHE lessons
- British Values (PREVENT)
- RSE (risky behaviours, safe/healthy relationships, consent)
- Online Safety
- Learning Mentor: Pupil 1:1s
- Group work and nurture groups
- Briefings sent to parent via newsletters
- Parent/carer drop in sessions
- RSE parent meetings
- Relate 'Time For You' counselling

13 Children Looked After

13.1 The most common reason for children to be looked-after is because they have experienced abuse and/or neglect. Manor Park Primary School recognises that children looked after may have additional vulnerabilities by virtue of this. The Designated Lead for Looked-After and Previously Looked-After Children is Sarah Jacoby, Deputy Headteacher.

13.2 Staff will receive training on how to best safeguard children who are Looked-After and who have been previously Looked-After.

13.3 The school will work with Personal Advisors when children leave care (where applicable).

13.4 Manor Park Primary School is committed to working with other agencies to ensure the best outcomes for Looked-After and Previously Looked-After children.

14 Children with Special Educational Needs and Disabilities (SEND) or physical health needs

14.1 As outlined in Keeping Children Safe in Education (2025), Manor Park Primary School is aware that children with additional needs or disabilities may be more vulnerable to abuse both online and offline and additional barriers may exist when recognising abuse and neglect. This could be because;

- assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's disability without further exploration;
- being more prone to peer group isolation or bullying (including prejudice-based bullying) than other children;
- the potential for children with SEN and disabilities or certain medical conditions being disproportionately impacted by behaviours such as bullying, without outwardly showing any signs; and
- communication barriers and difficulties in overcoming these barriers.
- Being unable to understand the difference between fact and fiction in online content

14.2 Any reports of abuse involving children with SEND will therefore require close liaison with the designated safeguarding lead and SENCO. Staff will also be trained in recognising signs of abuse in children with SEN and disabilities or certain medical conditions.

14.3 Staff will take into account the needs of a child when responding to concerns of abuse or when taking a disclosure. We recognise that some children require specialist intervention to communicate and advice from the SENCO will be sought in these circumstances.

14.4 Safeguarding learning opportunities within the curriculum will be appropriately differentiated to ensure all children can access it.

15 Use of reasonable force

15.1 There may be occasions when staff are required to use reasonable force to safeguard children. We will not use any more force than is proportionate and necessary.

The principles of Team Teach will be followed, with positive behaviour strategies and de-escalation used in the first instance. See our Physical Intervention and Relationships & Behaviour Policy which can be found on our website.

16 Alternative Provision

16.1 The school will continue to be responsible for the safeguarding of Students placed with an alternative provision provider or work experience and will be satisfied that this provider meets the needs of the pupil. Written confirmation from the provider that appropriate safeguarding checks have been carried out will be sought on individuals working at the establishment, i.e. those checks that the school would otherwise perform in respect of its own staff.

16.2 The DSL will continue to have oversight of all pupils accessing any part of their learning from an alternative provider or delivery online or offsite provided by any organisation or individual not employed by the school. The DSL will ensure that robust arrangements are in place for timely and effective information sharing of safeguarding information between the school and alternative/external providers.

16.3 The DSL will also take responsibility for ensuring that robust procedures are in place to confirm attendance and to enable the swift reporting of non-attendance and children going missing from alternative/ external providers at any time when they should be with that provider.

17 Use of school or college premises for non-school activities

The School may hire or rent out school or college facilities/premises to organisations or individuals. Safeguarding is still considered with this and the school will seek assurance that the provider has appropriate safeguarding and child protection policies and procedures in place including liaising directly with the school on these matters where appropriate. This applies whether the children in attendance are on the school's roll or not. The governing body/proprietor will ensure safeguarding requirements are included in any transfer of control agreement and that failure to comply with this would result in termination of the agreement.

Keeping children safe in out-of-school settings offers guidance on this. In the event of an incident, the school will follow its own policy including informing the LADO.

18 Summary

18.1 Manor Park Primary School is committed to safeguarding children and will always make safeguarding decisions that are in the best interests of each child. For further information or if you have any queries about this policy, please contact the school.

Appendix B – Further Safeguarding Information

Types of Abuse

As outlined in paragraph 4.4, the school will take action if we believe a child is at risk of or is suffering from abuse. Abuse is not limited to physical, emotional, sexual abuse and neglect. For further information on the definitions of the types of abuse below, please refer to Keeping Children Safe in Education (2025), Annex A.

See below for policy information relating to other key safeguarding issues. All decisions taken in responding to concerns of abuse will be taken in the best interests of the child. All policies can be found on our website.

Bullying, including cyber- or online-bullying

The school takes all forms of bullying seriously and will respond sensitively and quickly to any reported bullying. Children should report any bullying to their class teacher, to the DSL or to any trusted member of staff and we will work to resolve it.

We also teach children about the dangers of bullying through our curriculum and the understanding of the different forms it can take. Children will be taught STOP (Several Times On Purpose), and the ways in which bullying can be emotional, verbal or physical.

We have several policies that cover different aspects of bullying. Please see the Anti-Bullying Policy and the Relationships & Behaviour Policy.

Child criminal exploitation (including involvement in county lines)

Staff should understand that children who are neglected or vulnerable are more likely to be targeted by gangs and exploited by adults for a range of purposes. Vulnerable children can be groomed for sexual exploitation, slavery and selling or transporting of drugs.

Concerns about children at Manor Park being neglected or vulnerable at home must be passed on to DSLs. Indicators of lack of sleep, hunger, dirty clothes, emotional instability, poor academic performance, poor attendance may be evident. Also, comments or discussions about online activity, phone usage, unusual friendships (children much older perhaps), gifts being bought or money given could reveal evidence of exploitation. This information should be reported to DSLs and recorded on CPOMS.

Domestic Abuse and Gender Based Violence

Manor Park works in partnership with the West Midlands Police and Operation Encompass. Alerts of domestic violence incidents are sent to Designated Safeguarding Lead and Deputy Safeguarding Leads by 9am, giving information about whether a child has been present in the location where the DV incident took place, or directly witnessed the DV. Teachers are informed confidentially and can then support children appropriately during class. Learning Mentors provide pastoral support through 1:1 nurture sessions and careful monitoring. Where appropriate, Learning Mentors and DSLs, alongside other agencies, will work to support parents who are victims of Domestic Abuse, in order to help safeguard their children. Any disclosures of Domestic Violence made by children must be passed on immediately to DSLs, who will refer to Social Care. This must also be recorded on CPOMS.

Fabricated or induced illness

A form of physical and emotional abuse which Manor Park will take seriously and act upon immediately following usual safeguarding procedures. Where members of staff have concerns or evidence of carers or parents making a child ill or pretending a child is ill, this should be

reported immediately to the DSL, who will liaise with Health Care professionals/School Nurse as well as Social Care. Early Help will be sought to support the family in the first instance. Any concerns should be recorded on CPOMS. If there are also issues with attendance, the school will work with the Local Authority Attendance Officer to monitor, address concerns and intervene where necessary. If a child is at risk of significant harm as a result of fabricated or induced illness, the DSL will refer to Social Care.

Faith-based abuse

Belief in witchcraft, spirit possession and other forms of the supernatural can lead to children being blamed for bad luck, and subsequently neglected and/or abused physically, emotionally, and sexually. Fear of the supernatural is also known to be used to make children comply with being trafficked for domestic slavery or sexual exploitation. Manor Park staff should speak to a DSL if they are concerned a child may be subject to faith based abuse.

Female genital mutilation (A form of so-called 'honour-based' abuse)

Any member of staff who has suspicions or evidence that the practice of FGM has been carried out on a child **must report this immediately to DSLs and to the Police. It is a crime and therefore staff have a statutory reporting duty.**

Forced marriage (A form of so-called 'honour-based abuse)

Forced marriage in England and Wales is a crime. This is a marriage without the full consent of one or both parties and where violence, threats or any form of coercion is used to cause a person to enter into a marriage. Some communities use religion and culture as a way to coerce a person into marriage. Manor Park staff will have a clear understanding of how schools play an important role in safeguarding children from forced marriage and teaching children about their rights, British law and about equality, within the relationships and PSHE curriculum.

Gender-based violence

Gender-based violence is considered to be any harmful act directed against individuals or groups of individuals on the basis of their gender. It may include sexual violence, domestic violence, trafficking, forced/early marriage and harmful traditional practices. Manor Park staff are aware they need to report any concerns about gender-based violence to the DSLs.

Homelessness

All Manor Park staff have an understanding of the adverse consequences of homelessness for children and that it can affect life chances. Starting life in temporary accommodation may impact on access to universal health care, for example immunisations, and temporary accommodation is associated with greater rates of infection and accidents. Homeless children are more likely to experience stress and anxiety, resulting in depression and behavioural issues. There is evidence that the impact of homelessness on a child's health and development extends beyond the period of homelessness. Homelessness can impact on educational attainment: accessing school places may be difficult; absenteeism from school is more likely; homelessness may 'single out' a child in a new school, increasing the likelihood of bullying and isolation.

(So-called) 'Honour-based' abuse (For FGM and Forced Marriage, types of so-called 'honour-based' abuse, see above)

All staff at Manor Park will have a clear understanding of how HBV is abuse and involves incidents or crimes which have been committed to protect or defend the honour of the family and/or community, including female genital mutilation, forced marriage, and practices such as breast ironing. Abuse committed in the context of preserving 'honour' often involves a wider network of family or community pressure and can include multiple perpetrators. If any member

of staff has a concern regarding a child that might be at risk of HBV (possible extended holidays abroad, discussions arising in Relationships/PSHE may alert staff), they should speak to the DSL immediately.

Radicalisation, Extremism and Hate

Manor Park has a duty under section 26 of the Counter Terrorism and Security Act 2015, to prevent people from being drawn into terrorism (Prevent duty) and is committed to safeguarding children against radicalisation and extremism. Through PSHE, assemblies and class council discussions, children will be equipped with confidence, self-belief, respect and tolerance. They will also understand the dangers of radicalisation and exposure to extremist's views; building resilience against these and knowing what to do if they experience them. Staff will be trained annually on Prevent and given training updates in order to be fully informed about issues which affect the local, city and national areas. If staff have concerns about a child who displays worrying behaviour or prejudiced views indicating they are at risk of being radicalised or exposed to extreme views, they should report immediately to the DSLs, who will deal swiftly with the referral.

Referrals by DSLs to Channel will be made where this is a concern.

See DfE's Educate Against Hate website

Serious Violence and Gangs or Youth Violence

Staff at Manor Park are aware of indicators which may signal that children are at risk from, or are involved with serious violent crime. These may include increased absence from school, a change in friendships or relationships with older individuals or groups, a significant decline in performance, signs of self-harm or significant change in wellbeing, or signs of assault or unexplained injuries. Unexplained gifts or new possessions could also indicate that children have been approached by, or are involved with, individuals associated with criminal networks or gangs. See Home Office documents: 'Preventing youth violence and gang involvement' and 'Criminal exploitation of children and vulnerable adults: county lines' guidance. Manor Park understands that providing the right support whilst a child is still in primary school can protect those vulnerable to exploitation by older gang members and those who are at risk of being drawn further into violent or negative behaviour over time. It is good practice for schools to work together to take preventative measures to support the younger siblings of gang members.

Sexual violence or sexual harassment (including child on child abuse)

All staff at Manor Park understand that immediate action must be taken where there is an allegation or evidence of Sexual Violence or Sexual Harassment. It will never be dismissed as 'banter' and will be fully investigated by DSLs, which may lead to a referral to Social Care and/or the Police. All disclosures, discussions, reasons for actions must be recorded on CPOMS.

Sharing of consensual or non-consensual nude images and videos

Children, who have in their possession or known to be sharing any images of a sexual nature, which are of children under the age of 18, must be safeguarded immediately. At Manor Park, any Sexting will be investigated by DSLs and referred to the MASH and the Police. Staff **should not view any images** and are able to confiscate any phones or devices which they believe to hold sexual images, and should pass the devices on to the DSLs. In teaching and discussions around online safety, children may disclose information about inappropriate images or content being shared between children – this should be reported to DSLs and recorded on CPOMS.

Trafficking and modern slavery

Manor Park staff have an understanding that children are trafficked for many reasons, including sexual exploitation, domestic servitude, labour, benefit fraud and involvement in criminal activity. Whilst the majority of child trafficking cases known about involve children from abroad, child trafficking also occurs within the UK.

See DfE guidance ‘safeguarding children who may have been trafficked’

Children absent from education, home or care

The school will also take action to protect;

- Children absent from education
- Children missing from home or care

Parents are expected to keep the school informed of any absence that requires more than 2 days away from learning and give a likely return to school date. If the school refuses to authorise an absence, parents will be informed. Contact with the parent is essential for the authorisation of absence but the final decision to authorise an absence or leave it unauthorised is a decision for the school to make. Should no contact be forthcoming, the school will contact the parents by telephone. School will contact parents by phone, or by home visit on first day of absence. If contact is still not established, a letter from Manor Park will be left at the home address to request urgent contact from the child's parents/carers. Following no contact the next day, the police may be called to do a 'Safe and Well' check and to establish the whereabouts of the child. Manor Park will monitor pupils' attendance through their daily register. Manor Park will inform the local authority of the details of pupils who fail to attend regularly or have missed ten school days or more without permission. Manor Park will monitor attendance closely and address poor or irregular attendance. Pupils' poor attendance will be referred to the Attendance Officer working with Manor Park and ultimately to the local authority. If there is reason to believe a child is in immediate danger or at risk of harm, a referral should be made to children's social care (and the police if appropriate).

Nursery Attendance

School will follow up on nursery children's absences, especially if prolonged or unreported. School will consider patterns and trends in a child's absences, using professional judgment to assess patterns and personal circumstances when deciding if their absence should be considered as prolonged. School will contact parents, carers, and emergency contacts (where a parent or carer is not contactable). Vulnerability of the child and family will be considered, and concerns referred to children's social care or police if needed.

Children Missing from home or care

There are strong links between children involved in criminal and sexual exploitation and other behaviours such as running away from home, care or school, bullying, self-harm, teenage pregnancy, truancy, and substance misuse. In addition, some children are particularly vulnerable, for example, children with special needs, those in residential or foster care, those leaving care, migrant children, particularly those who are unaccompanied, those forced into marriage, those involved in gangs and unaccompanied asylum-seeking children. Most children

who go missing are not in care and go missing from their family home. However, children who are looked after are much more likely to run away than those who live at home.

See guidance document: <https://www.gov.uk/government/publications/children-who-run-away-or-go-missing-from-home-or-care>. See Children Missing/Absent Education policy on our website.

Private Fostering

The school have a duty to refer any children who are living in a private fostering arrangement to the local authority.

We will do this through a MASH referral. It is important that parents/carers inform us if a child is going to be staying at an alternative address to that of their primary care-givers for more than 28 days.

Indicators of abuse

See below for possible indicators of abuse. (Taken from *What to do if you are worried a child is being abused*, 2015)

- Children whose behaviour changes – they may become aggressive, challenging, disruptive, withdrawn or clingy, or they might have difficulty sleeping or start wetting the bed;
- Children with clothes which are ill-fitting and/or dirty;
- Children with consistently poor hygiene;
- Children who make strong efforts to avoid specific family members or friends, without an obvious reason;
- Children who don't want to change clothes in front of others or participate in physical activities;
- Children who are having problems at school, for example, a sudden lack of concentration and learning or they appear to be tired and hungry;
- Children who talk about being left home alone, with inappropriate carers or with strangers;
- Children who reach developmental milestones, such as learning to speak or walk, late, with no medical reason;
- Children who are regularly missing from school or education;
- Children who are reluctant to go home after school;
- Children with poor school attendance and punctuality, or who are consistently late being picked up;
- Parents who are dismissive and non-responsive to practitioners' concerns;
- Parents who collect their children from school when drunk, or under the influence of drugs;
- Children who drink alcohol regularly from an early age;
- Children who are concerned for younger siblings without explaining why;
- Children who talk about running away; and

The school recognises that the above list of indicators is not exhaustive and staff will receive training on indicators of abuse.
