WILLOW

Autumn One

CURRICULUM OVERVIEW

TOPIC

In Geography, we will be investigating how children's lives have changed. We will explore the Victorian and Tudor periods whilst making comparisons to the modern day.

ART/DT

Willow will be exploring cooking and nutrition in DT this half term. We will be exploring seasonal vegetables and the skills required to make and cook a seasonal tart.

COMPUTING

In computing, the children will explore programming, specifically using Scratch.

PSHE

Our PSHE topic for this term focuses on connecting with others. We will explore and consider what helps us feel safe and included.

ENGLISH

This term, Willow will explore Charlie and The Chocolate Factory. We will be writing a persuasive letter to Mr Willy Wonka and a persuasive advert for our own chocolate invention. When both have been orally performed, we will write a poem with repeated structure.

MATHS

The term will begin by deepening our learning on place value. Following this unit, we will move onto addition and subtraction.

RE

In RE, Willow will ultimately answer the question: 'what is it like to follow God?'

SCIENCE

In science, we are exploring materials, specifically rocks and soil. We will explore all the different types of materials including how they are formed.

MUSIC

In music, Willow will be participating in music lessons from Entrust where they will learn to play the ukulele! They will also be preparing for the Young Voices concert.

FRENCH

In French, Willow will be learning how to describe and introduce themselves.

PE

In PE, Willow will be expanding their learning on fundamental ball skills and increasing their strength through fitness. We will also be having our swimming lessons!

WIDER CURRICULUM

Willow will be having a history workshop where they will explore toys from the past.
