

### Mary Howard-July 2024, Year 6 Survey

You will be leaving Mary Howard shortly and although we will be sad to see you go, we know you are ready to move on to your next school. Before you go, we would like your help to improve our work for our present pupils and those who will be joining us in the future. Please answer the questions below on your own, and as honestly as you can. They cover your whole time at Mary Howard, not just Year 6.

Thank you very much for your help. Miss Mills 😊

What three things have you enjoyed most about your lessons during your whole time at the school?

- **They're creative and don't always involve just writing.**
- We learn new topics each half term so our learning doesn't get boring.
- How our topic links to our English work.

What three things have you enjoyed most outside of lessons (for example, school trips, clubs, worship council)?

- **Spiritual council going to deliver kindness kits to the community.**
- Residential with Class 3.
- Business Enterprise.

What will you miss most about the school?

- How small it is. We get lots of attention from staff because we are so tiny here, I feel our grades are really good.
- How we all feel like a family.
- Celebration worships.

During your time at Mary Howard what has made you most proud?

- My handwriting has improved and my English work too.
- My SATS results.
- Just being a part of it all.

Have you felt safe at Mary Howard? YES / NO Please try to explain your answer.

- Yes because Miss Mills put new fences up to protect our school.
- Yes because we do practice fire drills.
- Yes because we have a new drill with three whistles for lockdowns.
- Yes because we are now part of the academy so we have people overlooking our schools which makes me feel a part of something bigger.

What are some of your favourite lessons or areas you have learnt about?

- RE when we learned about Exodus.
- English because I love reading and writing. We have really interesting books.

- Learning about the Viking's in History because we got to learn about how things were done years ago.
- Learning about the Greeks because we learned about different faiths and cultures and we learned about their Gods.
- When we studied the Explorer in English and wrote a narrative about crashing a plane.

If you were to be granted any wish to make the school even better, what would it be?

- A bigger role for school council.
- More visits with the other schools in the academy.
- More school trips linking to our work. We could go to a mosque if we were learning about Islam in RE.
- More playground equipment.
