Message from Miss Mills

Dear Mary Howard families,

Welcome to our second week back — it's been wonderful to see the children settle into their new topics and to hear about their enthusiasm for learning. Thank you, as always, for your support.

This week the children in Maple enjoyed a fantastic bug workshop at Rosliston and have loved being out in nature. A big thank you to the parents and carers who supported with transport — your help made the trip possible.

Willow children have been exploring conservationist art and have produced some thoughtful, creative work linked to caring for the natural world.

Our writers in Oak have been super this week — inspired by Beowulf, they have produced lively, ambitious pieces of writing.

Coming up:

- Boccia sporting event at The Howard — 4:00–5:30pm (next Wednesday). We look forward to seeing the children take part and represent the school.
- Spelling Bee — Summer heats and finals are coming soon. Best of luck to all entrants — let's bring home those trophies!

Thank you for continuing to support trips, practise at home, and regular reading — these make a real difference to children's enjoyment and progress.

“Let all that you do be done in love.” — 1 Corinthians 16:14

Have a wonderful weekend and thank you for your continued support.

Rachel Mills

DfE Screen Time Guidance

[DfE guidance](#) published this week aims to give parents clear, evidence-backed advice on screen time for children under five. It recommends:

- For under-twos, screen time should be avoided except for shared activities.
- For children aged two to five, it should be limited to around one hour a day and avoided at mealtimes and before bed.

This guidance sits alongside a wider government consultation on online safety. NGA will respond to the consultation, drawing on views from the governance community to ensure your perspectives are represented.
