Message from Miss Mills

Dear families,

What a fantastic and affirming week it has been at Mary Howard Primary, filled with moments that truly showcased our school's strengths. Yesterday, we welcomed governors and other Headteachers from the Multi-Academy Trust for a school review, and I couldn't be prouder of how the review went.

They saw firsthand the wonderful school environment we've all helped create. Our children were the true stars, demonstrating a fantastic attitude and a genuine love for their learning. Their positive engagement and respectful behavior were noticed by everyone, and it's a testament to the hard work they put in every day.

This wouldn't be possible without your continued support at home and, of course, the incredible talent and unwavering commitment of our staff.

This coming Sunday is another exciting milestone for our community. We will celebrate the hard work of our amazing Friends of Mary Howard (FOMH) and all their fundraising efforts with the grand opening of our new growing garden! This has been a true labour of love over the summer, and we are so excited to see the garden take shape as we start planting and nurturing it together.

This project reminds me of the words from Galatians 6:9: "Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up." The growing garden is a perfect symbol of this, showing that patience and hard work lead to a bountiful harvest.

We would love for you to join us this Sunday from 11 am to 1 pm to celebrate the opening of this wonderful new space. I hope you all have a great weekend, and I look forward to seeing you there.

Warm regards,
Rachel Mills,
Executive Headteacher

TSSMAT Spelling Bee: Getting a 'BUZZ' about Spelling!

The TSSMAT is thrilled to announce the second year of our exciting new Spelling Bee competition, designed to promote high standards in spelling across our schools. This termly event will not only enhance children's spelling skills but also foster a sense of community and friendly competition among peers.

Aims of the Spelling Bee

The School Spelling Bee is set to take place at the end of each term, encouraging children to learn their key spelling words in a supportive and engaging environment.

The initiative aims to:

- Promote High Standards: By focusing on key spelling words, we aim to elevate spelling proficiency across the school.
- Encourage Participation: Every child is invited to take part, regardless of their current spelling abilities. We believe that all children can achieve and aspire to be their best.
- Celebrate Achievements: All participants will be celebrated, with each child receiving a Spelling Bee certificate during our Achievement Assembly.

How does It Work?

To prepare for the competition, we encourage parents and guardians to support their children in learning the key spelling words. A downloadable list of these words is available below.

Here's how the competition will unfold:

1. Class Heats: At the end of each term, class teachers will hold heats within their classes to identify the year group winners.
2. MAT Spelling Bee Competition: In the summer term, the excitement will culminate in a MAT Spelling Bee Competition, where our school will compete against other schools in the academy for the coveted MAT Spelling Bee trophy.
3. Finals and Celebrations: The final event will determine which school will take home the title of Spelling Bee Champion.

Join the Buzz!

We encourage all children across every year group and ability level to participate.

Remember, "You've got to be in it to win it!"

Let's rally together and aim to bring the trophy home to the Mease Schools in 2025!

Together, let's make spelling a fun and rewarding experience for all our children, fostering a love for words and language that will last a lifetime. For further details and to download the key spelling words, please check the website.
