Parable of the Mustard Seed- Matthew 13:31-32

Message from Miss Mills

Dear Mary Howard families,

The sun is out and spreading happiness across our school grounds. It has been wonderful to see Maple Class enjoying their outdoor learning area.

Today, we say goodbye and good luck to Miss Delderfield as she embarks on the next chapter of her career. We are confident she will be a tremendous asset to the school and children she teaches, we are deeply grateful for the care and enthusiasm she has shown during her time with us.

Last night, we enjoyed our annual Easter Bingo Extravaganza. A huge thank you to the Friends of Mary Howard for organising and running this exciting event and to everyone who came along to support our school community. Your participation makes these moments truly special.

Next week, we look forward to our Easter service and celebrations, a time to come together in reflection and joy.

When we return, the term continues to be filled with exciting opportunities: residential trips, sporting events including the swimming finals at the Snowdome, Boccia, cross country, and my personal favourite—the Spelling Bee.

"Even the smallest seed, when planted in good soil, grows into a tree that provides shelter and hope." (Matthew 13:31-32)

Together, we continue to nurture and support every child to flourish.

Rachel Mills

Comic Relief

A heartfelt thank you to all who supported our Red Nose Day. Your generosity and enthusiasm made a real difference, and it was lovely to see our children engaged in their 'silly' outfits. There is still time to donate if you haven't already:
