A Fantastic Year at St Andrews and Mary Howard Primary Schools

As we reach the end of this academic year, I am filled with pride and gratitude as we reflect on a truly spectacular year for our schools. There is so much to celebrate!

This year has been marked by significant achievements, including two successful SIAMS inspections and two OFSTED inspections, both of which reaffirmed our commitment to excellence in education. We are also thrilled to announce that we have received the prestigious Gold Sports Award, a testament to our dedication to promoting physical activity and well-being among our children.

Our children have experienced a year rich in quality learning and a variety of enrichment activities. Our Parent-Teacher Associations, SASA and FOMH, have worked tirelessly, raising an overwhelming amount of money that will be directed towards enhancing our outdoor areas and funding additional enrichment activities.

Throughout the Summer Term, we have enjoyed numerous successful events, including:

- Sports Days: Celebrating teamwork and athleticism.
- Summer Fairs: Bringing our community together for fun and fundraising.
- Colour Run: Encouraging participation and enjoyment in a vibrant and lively setting.
- Tamworth Arts Festival: Showcasing our children's creativity and talent.
- Spelling Bee Champions: We came first and second in the MAT Spelling Bee. Demonstrating our understanding of spelling rules and patterns.
- Ballet Day: Introducing our children to the beauty of dance.
- Year 5/6 Residential Trip to Laches Wood: Providing unforgettable experiences and fostering independence.

As we say goodbye to our Year 6 students, we are confident they will continue to grow and flourish in the Mease style, carrying forward the values and lessons they have learned. We look forward to welcoming our new children in September, ready to embark on their own journeys of growth and discovery.

Thank you to everyone in our school community for making this year a memorable one. Here's to another year of growth and flourishing!

Warm regards,
Rachel Mills
