## Mighty Mease Schools Shine: Mary Howard and St Andrew's Celebrate an Exciting Term! ☀

The children and staff at Mary Howard CE Primary School and St Andrew's CE Primary School have had a truly exciting and enriching term, proving that while we may be small, together we are mighty! Serving the local community of the Mease, our schools continue to work in harmony, offering incredible opportunities for all our pupils to grow and flourish.

This term, our partnership has thrived, allowing us to offer a wider range of activities. We are delighted to announce the arrival of the TSSMAT minibus! This fantastic addition has already enabled us to have joint Ukulele lessons and combined PE lessons, fostering teamwork and shared learning experiences across both schools.

We believe in making the most of our unique location and have organised special joint trips to enrich the curriculum. Our pupils have visited significant local places this term, including Whittington Barracks and The National Memorial Arboretum in Alrewas. These visits provided powerful, memorable learning experiences and allowed our children to engage with history and remembrance in a meaningful way.

A huge source of pride this term has been the incredible progress in our swimming programme. All children from Year 3 through to Year 6 have weekly lessons, and we've witnessed their confidence grow immensely. It's wonderful to see them going from strength to strength in the water, mastering vital life skills.

Our combined strength was truly evident in the recent cross-country competitions at Rawlett High School, where we competed against other larger Tamworth schools. Despite our smaller size, our teams performed brilliantly! We are particularly proud of the girls in our Willow Class who even took home the top prize! This outstanding achievement showcases the children's passion and dedication.

Everywhere we go, our schools receive praise for the impeccable manners, excellent behaviour, and enthusiasm of our children. This is a testament to the harmonious and supportive family feel of both Mary Howard and St Andrew's. We strive to create a nurturing environment where every child feels valued and can reach their full potential.

If you are looking for a school where your child will be part of a supportive family and be given every opportunity to shine, we encourage you to get in contact with either Mary Howard or St Andrew's. Come and feel the magic for yourself and see why our children are thriving!
