

TOPIC

In geography, Oak is exploring the energy to ultimately answer the question: 'where does our energy come from?'

ART/DT

This term, Oak will take part in the Greenpower Goblin Car Project! We will be building our own functional electric car with the opportunity to race at the Curborough Sprint Course against other schools in the TSSMAT!

COMPUTING

In computing, the children will be learning all about data information on flat file databases.

PSHE

Our PSHE topic for this term focuses on economic well being. We will learn how money changes when moving to secondary school, understand the risks of gambling and explain how careers function in different settings.

ENGLISH

For our narrative this term, we are exploring The Explorer by Katherine Rundell. Our non-narrative explores Are Humans Damaging the Atmosphere by Catherine Chambers. Our poetry unit explores Wild World by Angela Mcallister.

MATHS

The term will begin with fractions, decimals and percentages. Oak will then deepen their learning regarding area, perimeter and volume followed by statistics.

RE

In RE, Oak will explore Salvation within the Big Frieze to ultimately answer the question: 'what difference does the resurrection make for Christians?'

OAK Spring Two CURRICULUM OVERVIEW

SCIENCE

In science, we are exploring circuits, batteries and switches. We will Build an electrical circuit with a switch to control its function, explain how the switch and the electrical circuit solve the problem and recall different examples of problems that can be solved using an electrical circuit.

MUSIC

In music, Oak will be exploring South and West African music! We will play complicated rhythms in time and with rests and create an eight beat break and play in the correct place.

FRENCH

Our French topic focuses on the weather. Oak will be using physical responses to show their understanding of weather phrases and repeat new phrases with accurate pronunciation.

PE

The topics for PE this half-term are learning all about basketball and hockey!

WIDER CURRICULUM

Oak will take part in a whole-school 'explore Easter activity!'
